Weed-Bray Road Is Open to Travel

WEED, Siskiyou Co., Cal., Nov. 2. —Last week the Weed-Bray road was completed. The Weed chamber of commerce has been instrumental in bringing about building of this road. They have spent about \$14,000 which was raised in Weed. They built one concrete bridge and did considerable grading.

While the new road is not in the best of condition at the present time, it will be so in the spring after the winter storms will have packed the new grade.

TUBERCULOSIS SURVEY OF RESERVATION IS ON

PORTLAND, Nov. 2. — Mrs. Saldie Orr-Dunbar, executive secretary of the Oregon Tuberculosis association, has just returned from Klamath county, where she had the unusual privilege of addressing the tribal council of the Klamath Indians, which held a special session in Klamath Falls to hear discussed the plan of the Tuberculosis association for house-to-house survey of the reservation, which has already been begun by Miss Grace Holmes, registered nurse.

The council consisted of 30 of the leading men of the tribe, who gave close attention to all that was said, but with proverbial Indian stolidism refused to ask any questions or enter into any discussion of the plan, which, it is expected, will result in a nursing service for the Indians in the hope of reducing the mortality resulting from tuberculosis.

Town of 16 People Has Weekly Paper

HELENA, Mont., Nov. 1. — Montana boasts of a weekly newspaper which for five years has been published in a town of sixteen inhabitants, 45 miles from a railroad. The publisher, Frank Van Wagemen, declares that in the five years since his paper was established, it has not missed an issue.

The Thoney Review, published in Thoney, about 10 miles from the Canadian boundary in the northern part of Valley county, was established by Art Van Wagemen upon his return from the army five years ago. Recently he purchased the Hinsdale Tribune and removed to that town, leaving Frank Van Wagemen in charge at Thoney.

"The plant was moved to a platform and the building was built over it," Mr. Van Wagemen wrote recently concerning the establishment of the paper, "and not an issue has been missed since. The first issue was gotten out under difficulties which was only natural in starting a newspaper 45 miles from a railroad."

Claim They Killed Biggest Muletail

The largest buck ever killed in Klamath county and brought to Klamath Falls was shot in Barnes Valley last week by Barney Chambers and Prentiss Puckett, who stated that the animal, a mule tail, had ten points on one side and eighth on the other. The animal was so large that the hunters dressed and cut the meat up so it could be taken to camp. The head was sent to Portland for mounting. Chambers said. The only drawback was a means to weigh the animal but it was estimated the deer weighed about 300 pounds.

THE STRAND

Against the marvelous scenery of the Arizona wild places an exciting story of cowboy life is pictured in the new World release "The Arizona Cat Claw" starring Edythe Sterling, which will be seen at the Strand Theatre tonight. This

picture is a classic of its type and has for its leading character a typical western girl who through being brought up among the cattlemen of the plains is more masculine than feminine.

Blossom Ruggles is a thoroughly western girl, accustomed to spending all her time on horseback among men. She is the type of a girl that has more man in her than woman and who is accustomed to viewing things from a man's viewpoint rather than a woman's. Accordingly she treats border ruffians with scant mercy, and has but little sympathy for those weaker than herself.

Edythe Sterling is known as one of the most daring equestrians appearing in pictures and justifies this reputation several times over in "The Arizona Cat Claw."

LOVE PINE NEWS

There was quite a crowd out to the Hallowe'en and pie social Saturday evening. Mr. Geertson acted as auctioneer and sold the ladies noses, which they put through a hole in a curtain. One pie went with each nose as a premium. The proceeds were \$20.50. Mrs. C. J. Ferguson, county superintendent, came out from Klamath Falls to attend the social.

IDLE 12 MONTHS HE IS NOW BACK ON JOB

OHIO MAN LOST A YEAR ON ACCOUNT OF STOMACH TROUBLE —IS NOW WELL AND STRONG.

"Only a man who has to work for a living knows what it means to get back on the job after not hitting a lick of work for a whole year. I lost twelve months straight time on account of stomach trouble. One of the worst cases I guess a man ever had. Tanlac not only made me a well man again but built me up 19 pounds in weight. I am writing all my friends in other cities to tell them of the wonderful news."

The above statement was made by George B. Lowe, well-known employee of the Goodyear Tire and Rubber Co., living at 451 McGowan St., Akron, Ohio.

Tanlac and Tanlac Vegetable Pills are sold by druggists everywhere.

Making Progress On Mills Sewer

Lorenz brothers in charge of the laying of the Mills addition sewers say that with the good weather during the past few days, work has progressed so rapidly that the layers of pipe are now right behind the digging machine and that the machine is being kept going at noon in order to gain space over the layers. Saturday was the banner day for laying pipe, over 1000 feet being placed in position. The water troubles were eliminated in some degree by the pumps being kept going day and night.

The manholes are being dug now and the septic tank is nearly completed, the contractors say. The pumps will soon be ready to place in position on the concrete bases constructed last week. There are several miles yet of sewerage pipe to be laid.

The ladder of life is full of splinters, but they always prick the hardest when we're sliding down.

CHEERFUL WORDS

For Many a Klamath Falls Household

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove helpful to hundreds of Klamath Falls readers.

Mrs. S. B. Douglass, 901 Rose St., Klamath Falls, says: "I gladly endorse Doan's Kidney Pills for I know they do all that is claimed for them. They have always been used in our family. My kidneys were weak and out of order and I had a lame and aching back. I felt dull and run down and my kidneys acted irregularly. Doan's Kidney Pills used as directed soon relieved me of the trouble, strengthening my back and kidneys."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Douglass had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Our Apologies

We wish to offer our apologies to many of our customers attending our ONE CENT Sale during the past three days.

We found it impossible to promptly wait upon the throng of customers that crowded our store during some hours of each day.

Dozens of customers were disappointed in being unable to obtain some of the articles advertised on the last day of the sale.

We made what we thought was ample provision on all merchandise offered but the unprecedented demand exhausted stocks and resulted in some disappointments.

We thank you for the wonderful success of this sale—and it is a pleasure to us to know that every customer secured articles of HIGH QUALITY at prices that were surely pleasing to him.
