

## EVERY ONE IS EXPECTING A HARD BATTLE

"The scrappiest event in Klamath Falls in 1921," is the expression used by the sporting element when referring to the coming Huff-Ross ten round boxing contest on November 12 at McDonald's Hall. To realize this fact, ask any men who know both boxers about this event and the answer will be invariably, "I look for a battle and I think that they will stage an event which will put all the past battles in the shade, even the Gordon-Blue ten rounds of July 4. Gordon and Blue were sure a pair of nifty boxers and certainly tried to win the fourth contest but there is a greater amount of rivalry between the California boxer and the home guard lad for friends of each man have been carrying tales back and forth between the two training camps and each boxer has said something which has stung the other man to the quick. Any sport who fails to attend the event will be missing one of the best matches which has been arranged for in this city during the 1921 season. Mark my words, the newspaper talk isn't half as strong as it should be, they never tell the exact situation for fear of misguiding the sports."

A large number of visitors have attended the workouts of both men in their camps, both in Klamath Falls and at Chiloquin and seem impressed with the demonstrations which both have given. Huff seems to be in splendid condition, friends say, while Ross works as smoothly and as easily as a well oiled machine. Ross has taken on all comers for any number of rounds from 1 to 15 in the past week and he has manhandled all of them.

Friends of Huff say that his wind was never better and that his confidence is growing daily that he can master the California boxer without taking any wild chances but he expresses the opinion that he will not leave his guard down at any point in the ten rounds so that Ross can shoot in that wicked left. "I'll almost wager the shirt on my back that I secure the decision and my friends can count on me from round one to the finish," Huff said Wednesday while training at Chiloquin.

"Huff has been petted and babied so long about Chiloquin and Klamath Falls that he imagines that he is a world beater and is practically invincible in this section. It will be my effort to show him up with all the resources I have on November 12 and I'll do my best to live up to the confidence which my friends have expressed about me—I'll do my best to win and that is all a mule can do," Ross stated last night after his workout at the Scandinavian Hall. Ross invites his friends to come to the hall on all week days except Wednesday and Saturdays at 4:30 to 6:30 o'clock to see his daily training routine.

### Milk Man Says Some One Is Attempting to Injure Business

Emil Mochettes, dairyman, states that some evil-minded person is disturbing his milk delivery system, and that for a month past, nearly every night three of his patron's places have been visited and the milk deposited by his drivers stolen. The next night the same performance would be carried out about three blocks away.

Mochettes said that he had made complaint to the police and they had tried to apprehend the thief, but had not landed him yet. He will pay a reward of \$25 for the apprehension and conviction of the person or persons who steal milk or adulterate it after his driver leaves it at a residence, and asks his patrons to look for the advertisement in the Herald tomorrow evening with the reward notice.

### ONE DOLLAR DOWN

\$1.00 down and a small amount each week until Christmas makes you a member of our Christmas Edison Club and brings you an Edison for Christmas. We pay you 7 per cent on any amount you pay before delivering instrument. Join now, at Klamath Falls Music, 123 S Sixth St.

## OREGON BREVITIES

**ASHLAND**—Following the unavailing efforts of local police and the Jackson county sheriff's office for several weeks to arrest the perpetrator of an attempt to blackmail Dr. Francis G. Swedenberg, prominent Ashland physician, now touring the southern states, out of \$1,000, armed men who have been guarding the threatened home have been withdrawn.

**HOOD RIVER**—Jesse Davis, Joe Swearingen and B. Fox of Independence, who are alleged to have done a wholesale bootleg business while posing as apple pickers, were each fined \$250 by Justice of the Peace Outhank. Officers declare that the men conducted the shrewdest bootleg ring ever operated in Hood River county.

**GRANTS PASS**—Placer mining on the upper Rogue river is being developed by a company headed by J. S. Taylor, an English engineer and mining operator of large experience in the fields of Australia and other countries. So satisfactory were the results of prospecting by shafts that equipment has now been installed for large scale testing by hydraulic methods.

**SALEM**—Salem police, following an investigation covering nearly two weeks, when they unearthed a cache of about 26 bicycles which were stolen here last month. The cache was in a cow pasture in a remote district of the city. The police said a number of boys were responsible for the thefts. Three of the lads were apprehended by the police. It was said that other arrests would be made. The boys, after stealing the bicycles, took them to the cache, where they were repainted and parts exchanged to elude detection, the police said.

**GRANTS PASS**—The fighting qualities of the Rogue river steelhead are attested to by Joe Wharton, local sporting store man, who recently took one hour and 33 minutes to land a 10 1/4-pound specimen. D. G. C. McNeill, British consul of Colima, Mexico, acted as official timekeeper for the contest.

**CONDON, Or.**—For the first time in 18 months the sheep market is showing signs of recovery. In the last two weeks several sheep buyers have covered the country, and every shepherd had an opportunity to sell his surplus at a fair price. Lambs that formerly sold for \$3 a head advanced \$1, and the demand was so brisk that there were scarcely any culls from the count. About 20,000 head of lambs have left the Condon stockyards.

**SALEM**—J. E. Deerfield, 20, who gave his address at Cataldo, Idaho, suffered the loss of a foot when he fell from a Southern Pacific train in the local railroad yards. Attending physicians said he would recover. Mr. Deerfield told hospital attendants that he had been employed in a sawmill at Weed, Calif., and was "beating" his way to his home at the time of the accident.

## BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Back-ache

The American men and women must guard constantly against kidney trouble, because we eat too much and all of our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizziness, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

## NEW TODAY

**NEW TODAY**  
FOR RENT—Nicely furnished rooms \$3.50 per week. Star Rooming House, 6th and Main Street. 2-5\*

FOR RENT—Furnished housekeeping rooms, \$15 per month; bachelor preferred. Call after 6. 522 Klamath avenue. 4\*

A good bed and a good bath at Colonial rooms, 11th near Main, and 741 Walnut. Steam heat is being installed. 4

There is no medicine like Nature's gift. Try a mineral bath at the New Hot Springs Bath House. 4

## SULPHUR IS BEST TO CLEAR UP UGLY BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.—Adv.

## AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turn Grey, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.
