IT PROVED TO BE WHAT HE NEEDED

PORTLAND MAN SAYS TANLAC DID HIM MORE GOOD THAN CHANGE OF CLIMATE.

"For eight years," said John Nelson, well-known carpenter residing at 374 Montana Ave., Portland, Oregon, "I had all kinds of trouble with my stomach. I had to keep myself on a light diet, and even then I suffered with indigestion. I used to eat my dinner every day under a dread, for this indigestion often got so bad I turned so weak I could hardly keep on the job. In trying to find something to help me I even took a trip to California, but I kept going from bad to worse and suffering more and more.

"At last some of my friends put me on to Tanlac and it proved to be just what my stomach needed. My appetite is fine now, and I eat my dinner and then go ahead working in the afternoon just as well as I ever could, for nothing I eat hurts me the least bit. My whole system is stronger and better in every way and I feel full of pep and energy. Tanlac is simply splendid and I am glad to let others know about it."

Tanlac and Tanlac Vegetable Pills are sold by druggists everywhere.
