

School Districts Will Get Money Today

Klamath county schools are richer now by the sum of \$71,783.92 and this morning Mrs. C. L. Ferguson, county school superintendent, begins the apportionment of that sum to the various schools in the county.

The state elementary school fund amounted to \$5,759.07, derived from a 2-mill school tax levy last year; the state school fund drawn from the Salem office amounted to \$6,515.93 taken from the irrevocable school fund of the state, and the county tax for school purposes collected in Klamath county, \$29,508.92.

The announcement today by County Treasurer G. K. Van Riper will probably be most welcome news to most of the school districts in this county, as a majority of the treasurers of the districts are depleted. Warrants were being drawn this afternoon.

MERRILL

Mrs. J. W. Laylor and Mrs. W. F. Hill were Klamath Falls visitors Wednesday.

Mr. and Mrs. R. H. Anderson and family spent the week-end with Mr. and Mrs. R. L. Dalton at Steel Swamp.

L. Story reports that he will finish threshing this week. He is working south of the state line. He reports grain better in that section than had been expected.

Mr. and Mrs. E. M. Bubb passed through Merrill for the week end.

Jinnette & Howard have sold their potatoes to Bert Franklin. The price paid was 2 cents. The farmers around Merrill have realized very well from potatoes this year.

A hen party was given Rev. and Mrs. E. H. Edgar at the manse Thursday, Nov. 11. It came as a surprise. It was planned for the ladies to each take a hen and the men something for the pantry. As a result the pantry is well stocked and chickens of many colors grace their yard. Mr. and Mrs. Edgar appreciate the many kindnesses that have been shown them since they came to make their home here.

Burr Westbrook is building a modern chickenhouse on his place south of town. They have thoroughbred White Leghorns. Mr. Westbrook is a firm believer of better stock of all kinds.

Z. N. Agee was host for a dinner party at the Rex Cafe, Nov. 13th. His guests were Mr. and Mrs. J. H. Hobbs, Miss Young and Mr. F. Fruits, of Merrill, and Mr. and Mrs. Drummond, of Klamath Falls. Mr. Agee travels for a Portland firm and is an old Roseburg friend of Mr. and Mrs. Hobbs.

Mrs. Geo. Offield has been staying with her brother, Madison Brown since his accident. Mr. Brown is now entirely out of danger.

Dr. Kreese was a Klamath Falls visitor Monday, being up on the Lloyd Hewitt case. Mr. Hewitt is the young man whose leg was injured on the rock crusher recently.

A charivari was given Mr. and Mrs. Velton Haskins Friday, Nov. 4. Mr. and Mrs. Haskins rather expecting something of the sort

were out in their car and led the crowd a merry chase through the country lanes until they were finally stopped on the cross roads North of Merrill. They were then taken home where a pleasant evening was spent in games. Refreshments were served. Mr. and Mrs. Haskins have left for their home in Glendale.

A cement sidewalk has just been completed on the south side of the W. S. Merrill building, extending west past the city hall and barber shop. A. D. Miller, of Klamath Falls was the contractor.

A meeting of the Chautauqua committee was held here Wednesday evening at which time it was decided to hold Chautauqua Nov. 29-30 and Dec. 1. The president is Burr Westbrook and secretary-treasurer, Fred Peterson.

Mr. and Mrs. Ed Frasier have moved from the cook house to one of the houses owned by Mr. Finch across the River. Mrs. Cook, who has been living in Klamath Falls for some time will occupy her house.

Stukel & Offield are feeding 300 head of cattle for the market. They are feeding at the W. E. Corum place where they have bought hay.

A farewell dance was given at the W. P. Whitney residence four miles north of town Friday, Nov. 4. About fifty people were present. They report a very nice time.

SHASTA VIEW

Frank Ottoman, who has been attending the O. A. C., completed his course in half the usual time and is home to stay with his family until after the holidays.

Mrs. Belle Kirkpatrick is spending some time with her son, Lester and family, at Merrill.

Miss Louise Hatch and sister, Mrs. McComb, received word recently of the sudden death of a sister at Los Angeles and Miss Hatch with a sister, Mrs. Cash of Mt. Laki went to attend the funeral.

Mr. and Mrs. J. L. Bailey were Klamath Falls visitors Saturday and report business quite lively at the public market.

Everyone in this section will be pleased to know that the cheese factory recently located at Malin started operations Monday last.

Ben Daniels received a telegram that his father, who lived at Santa Rosa, died suddenly at a hospital where he was taken after a fall from a thresher separator. This came as a shock as he was reported as improving on Monday. The two sons, Ben and Louie, started for Santa Rosa as soon as possible after receiving the sad news.

George Strowbridge, wife and son are spending a few days at the homes of John Bailey and Harry Wilson and calling on other friends in this section, where they used to live before locating at Chilquien. George is also bringing down a few of the ducks and geese so plentiful here.

The ladies of the Helping Hand will be entertained by Mrs. Emma Wilson Wednesday, Nov. 16th.

Oliver Martin and wife are spending a few days visiting in the Rogue River country.

MOTORISTS ARE SPEEDING ON NEW DAIRY ROAD

A large number of motorists are making Sunday trips to Dairy to enjoy the feel of a real roadbed under their machines. The tendency to open up the "old boat" and let it skim the surface is almost irresistible, the motorists say, and with no officers present, many have tried it out.

Warnings were issued by the state highway department that there must be no speeding over the new road and that penalties will be enforced upon anyone violating the law. Speeding materially weakens the roadbed, and is hard upon the surface especially if quick action is necessary to stop suddenly. The skidding of the tires starts ruts which wear away and make holes when rains and heavy trucks hit the exposed parts, a little later on.

D. A. R. TO PLACE MEMORIAL FOR PIONEER SETTLERS

Mrs. R. E. Wattenburg has about completed the formation of the Klamath chapter of the Daughters of the American Revolution. One of the first activities of the chapter will be the erection of a memorial at the "Stone Bridge" on Lost River, the site of a dam now under construction by the reclamation service, in co-

operation with the State Geographical Board and the local chamber of commerce.

The memorial will be in honor of the 15 men from the initial American settlement in the Willamette valley, who located the South Emigrant road in 1846.

The best isinglass comes from Russia. It is made from the giant sturgeon, which inhabits the Caspian Sea.

Be Watchful of Colds

MONDAY HEALTH TALK NO. 44

A cold, when neglected, may rapidly develop into disease of serious nature and extent. Immediate steps should always be taken to put it in check.

Colds are due to retained wastes in the body and the cause usually is sluggish action of liver, kidneys and lungs. The cause of this sluggish action is the impingement, or squeezing of spinal nerves at the spine. By chiropractic spinal adjustments this pressure or impingement is removed and the nerves are freed to carry normal impulses of vigor and strength.

Uncle Ben Says:
 "Nevvy, it's the weak in health who get a cold with the first frost."

HEALTH FOLLOWS
 CHIROPRACTIC CORRECTS PRESSURE ON SPINAL NERVES IN DISEASES OF THE FOLLOWING ORGANS:

HEAD
EYES
EARS
NOSE
THROAT
ARMS
HEART
LUNGS
LIVER
STOMACH
PANCREAS
SPLEEN
KIDNEYS

SPINAL COLUMN - LOWER LIMBS

THE LOWER NERVE UNDER THE MAGNIFYING GLASS IS PINCHED BY A MISALIGNED JOINT. PINCHED NERVES CANNOT TRANSMIT HEALTHFUL IMPULSES. CHIROPRACTIC ADJUSTING REMOVES THE PRESSURE. THE UPPER NERVE IS FREED AS NATURE INTENDS.

COLD AND FEVER
 "I developed a high fever and was so sick I could not raise my head from the pillow. Two chiropractic spinal adjustments changed the course of my trouble. It was quicker work with a cold and fever than I had experienced before." Hebe C. Hall, Chiropractic Research Bureau statement No. 1286H.
