

The Office Cat

BY JUNIUS

HISTORY OF THE BUSY SIX
Bill Jones is a friend of mine. A guy like him is hard to find; He seems to be a ladies' man— He always gets one if he can.

Bill has a dog and his name is Ted. He uses the Oakland for a bed; When he hears Bill start the car he seems to know That he will always get to go.

This car of Bill's is a noisy bus. It makes more noise than Gasolene Gus.

We can hear Bill coming from afar. Because we can always tell his car.

He don't like to hear people that knocks The girls with their turned-down socks.

But I don't know and cannot tell How he knows all this so well.

There is sure one thing with Bill you can trust,

Just put him to work on a jitney bus. He'll work and sweat from sunup to sundown

Till he gets the old Liz to running around.

Shorty can tell you, for he knows it all.

For Bill worked on his jit this fall. You just ought to see the darn thing run.

Oh, dear, it is the mostest fun. **THE OVERALL GIRLS.**

SENNATIONS

Once my life was a thing of pain; Worn, down-trodden, I knew the strain

Of labor amid the city's slush; But now for me is the wind's cool rush,

And woods and hedgerows darting by As in voluptuous curves I fly

Swinging along like a swallow's flight.

Sweeping and awaying, swift and light.

Cool, flower-scented, and clear, the air

Sweeps from a sky that is blue and fair.

Ho-Hum! Heard any new recipes lately?

Reflections on Arbuckle
"The bigger they are the harder they fall."
"The wages of gin is \$100,000 in lawyers' fees."
"Nobody loves a fat man."

Eddie Lawrence says a few of the men may be broke, but every girl has a roll in her stocking these days.

If the delegates to the armament conference had to qualify on one of Mr. Edison's questionnaires there wouldn't be any conference.

They say they deliver liquor in Chicago patrol wagons. Doubtless also they call it the booze wagon up there?

TOO TRUE
Good intentions pave the road To Hades, so they say; But bad intentions, just be sure, Will take you all the way.

George Mangué says as a matter of fact some grips contain clothes.

A Valuable Driver
The driver who stays on the wagon when the load is weighed is worth his weight in coal.

Contrib declares that the letters "R. S. V. P." now mean "Receipt Sent Very Prompt."

Daily Sentence Sermon
There is always a demand for smart men, but the demand for smart alecks is zero.
