The Custer massacre followed and the white man drove the Sioux from the Dakotas. The picture is historically correct in every detail. It has been produced without regard to expense, with an all-star cast, among whom are Roy Stewart, Robert McKim, Mildred Manning, and Wilfred Lucas. The director, Edward Sloman, has made a great name for himself by his able handling of this picture.

Telephone Traffic The signals of the traffic officer are obeyed instantly by the intelligent citizen, as he realizes that indifference means confusion and congestion. Over the wires and through the switchboards of the telephone company there is a constant volume of traffic. Here there is also a signal—the ringing of the telephone bell. A great obstacle in the flow of this traffic is delay in answering the telephone bell. Answer your telephone bell promptly. You will accommodate the party calling. Your own line will be more quickly cleared for other business.
