

Dollar Days versus Holidays

*A Whirlwind Finish of the Greatest bargain event in the history of Southern Oregon will begin TUESDAY MORNING, December 27, ending Saturday night, December 31---
Five Dollar Days*

5 Days-\$\$\$-5 Days

THIS IS NOT OUR FIRST *Dollar Day* sale, but it is the first time we have ever extended the time limit more than for one day. Thousands of dollars worth of goods have been sold during our big December sale, but we have a few thousand more that are going at prices which would bankrupt an ordinary merchant.

WE must invoice the first week in January---and would rather invoice money than merchandise. **YOU** will need just the articles offered in this great *Dollar Day* sale, and we are going to make it decidedly to your advantage to buy them yet this year.

Read the partial list which follows and remember what we say. "Holidays will be Dollar Days" this year, and every man or woman, boy or girl, with one dollar or more can enjoy "Dollar Days" immensely: The more dollars you rake up the more enjoyment you will have, for everyone enjoys spending money when they know they are getting more than value received.
