A WORD OF ADVICE

NINETEEN TWENTY-TWO is now here, and what are your plans for saving for this new year?

Why not start saving your nickels and dimes instead of simply thinking they amount to nothing, and squandering them ruthlessly.

Woolworth built the tallest building in the world out of nickels and dimes. You can put your nickels and dimes in a Savings Account and also be a builder. We will pay you four per cent on your savings. Think it over.

At the same time, why keep your valuable papers in insecure place any longer when you can have them in safety deposit boxes for \$3.00 a month. It might cost you many times as much to have them replaced in case of loss.
