Salts at first sign of Bladde, Irritation or Backache

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead: your hack hurts or the urine is cloudy, full of reciment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatiam when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a table-apoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. Color, Gloss and Attractiveness

Common garden sage brewed into heavy tea, with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revel-ation if your hair is fading, streaked or gray, Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store, all ready to use. This is the old-time recipe improved by the addition of oth-

er ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Com-nound, no one can tell, because it does it so naturally, so evenly. You just dampen a spenge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.-Aav.
