A LIVE BABY IS GIVEN AWAY AT THE STRAND.

If the Strand theatre had been twice as large it could not have accommodated the crowd that gathered there Thursday night to witness the giving away of the real live baby.

Mrs. B. Mitchell was the lucky recipient.

The play tonight will be the "Steel King," and it is up to the usual high standard of The Strand.

Tomorrow will be the picture of pictures, "Jane Eyre," with Mabel Ballin and Norman Trevor playing the leading roles.

The first modern battleship to cost over \$5,000,000 was the British ship Inflexible, launched in 1881.

Beautiful new sample Player-piano. Greatly reduced, and terms within reason during two weeks only.—EARL SEYMOUR CO.

We have greatly enlarged our plant and are prepared to hatch fifty thousand chicks during the season. Order early and get them when wanted.

MIAMI BEACH REQUESTS BRACE OF WARSHIPS

MIAMI BEACH, Calif., Jan. 7.—Miami Beach would like to have a brace of warships when Uncle Sam gets ready to scrap the greater part of the fleet, and the city council has voted to formally request that the navy department send two vessels here to be sunk off the jetties at the entrance to Biscayne Bay. The councilmen think they would make an imposing harbor gate.

A dream so strange that it brought her groping and staring into the darkness of the room. And then in the morning she waked to find her wedding gown on the floor—ruined past all repair. This is one of the situations that Hugo Ballin has depicted with such telling realism in Charlotte Brontë's forceful story of human emotions. It is a story that moves from the depths of despair to the glorified heights of happiness and love.
