**Letters from the People**

I would like to say a few words in regard to the proposed highway from Drews' Valley to Bonanza.  
 While I live on the fly route I have holdings just north of the proposed route, and know the country well, and while I am not an engineer, and do not know much about their five per cent grade, I do know that the summit at Secret Valley on the proposed route, is several hundred feet higher than the Quartz Valley divide, which is the highest point on the fly route; then from the Fish Hole Plateau to within a short distance of Bonanza it is almost as high, for twenty five or thirty miles, as the Quartz Valley summit, and goes over a rocky juniper plateau.  
 There is no one living along the route, and it would be closed from four to six months out of the year if we had a normal snow-fall, while the fly route is an all winter road, also a post road with plenty of people along the route.  
 Respectfully,  
 JAMES H. OWEN.

**DORRIS**

DORRIS, Cal., Jan. 10.—S. J. Miller of the grocery firm of Miller and Robinson departed Sunday morning for San Francisco where he will spend a fortnight enjoying the climate of the bay district.  
 Mr. and Mrs. John Hagelstein of Algoma were Dorris visitors during the week-end. They were guests of their son and Mrs. William G. Hagelstein.  
 Miss Marguerite Laird has accepted a position in the merchandise store of Miller & Robinson during the absence of Mr. S. J. Miller.  
 Beginning Monday of this week, both Dorris box factories resumed operation following a short quiet period during the holiday season.  
 Archie Winters, who was formerly connected with the Associated Lumber and Box company here, has taken a position with the Diamond Match Company at Chico.  
 Gus Johnson, hardware salesman, made his regular trip to Dorris on Monday.  
 Ash Carley of Oklahoma spent yesterday in Dorris on business. Sleighting, he says, is excellent since the freezing temperature of the past two nights.

**Healing Cream**  
 Stops Catarrh  
 Clogged Air Passages Open at Once—Nose and Throat Clear.

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head and membranes. Instant relief.  
 How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or snuffling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.—Adv.

**SAGE TEA TURNS GRAY HAIR DARK**

It's Grandmother's Recipe to Bring Back Color and Lustre To Hair  
 That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.  
 Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre to your hair.  
 Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.

Rub Backache Away With Small Trial Bottle of Old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil". Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.  
 Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 40 years.—Adv.

**IF BACK HURTS BEGIN ON SALTS**

Flush Your Kidneys Occasionally If You Eat Meat Regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and

poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, or if the urine is cloudy, offensive, or full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.  
 Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.
