UNEMPLOYED IN GERMANY DEMAND DIVISION OF WORK

BERLIN, Jan. 10.—The unemployed throughout Germany are demanding a division of work with the regularly employed and a larger allowance from the municipalities and the labor unions.

They have become so insistent and demonstrations and clashes between the employed and the jobless so frequent that representatives of the Central government, the labor organizations, and the municipalities are trying to find a method of dealing with the situation.

Political agitators have taken advantage of the situation to urge a "red revolt" against employers. This attitude of the radicals has caused sharp dissension ever among the ranks of labor.

Labor circles charge that many of the "unemployed" are not members of labor unions, are not really out of work, and if they were would seek to avoid work. They attempt to compel workmen who have jobs to quit in favor of the unemployed.

The government is planning the establishment of employment bureaus throughout the country, while the municipalities and the labor councils are canvassing the industries in the hope that jobs may be found for all.

The German Housewives League is trying to aid unemployed married men by placing their wives in positions to earn a little money "when set engaged in housework."

Low earning power of workmen and high prices has popularized the movement among women to share the responsibility of supporting the family.

One week of manual and agricultural labor is in future to be included in the year's work of every Bulgarian school, for boys and girls alike.

WHEN EYES ARE RIGHT

All the world looks bright. Take a morning like this was, with the thermometer ranging around zero and several degrees below—if your eyes were right the cold winds wouldn't make them watery and your vision would not be dimmed and the sun glinting on the snow would not obscure your vision.

SEE THAT YOUR EYES ARE RIGHT

And if not, have them examined and properly fitted by

BABIES TO BE GIVEN AWAY AT THE STRAND

Tomorrow's the day they give babies away at the Strand theater—at least Ted White announces that he is going to give some young couple a long start in life as a belated New Year's present.

Last Thursday night a hilarious crowd saw the first baby presentation and the joy of the bystanders was in no whit diminished when the infant proved to be a baby bunny.

But there's something else in store for tomorrow night's crowd and Ted says the surprise will be complete. It's a wholly different sort of baby that will arrive tomorrow night.

Ted in the role of the stork creates an entirely new idea of the fabled bird. The main difference is that where the real fowl is a symbol of solemnity Ted's presentation is screamingly humorous.

Tomorrow night is Country Store night and other gifts than the infant will be passed around.

NOT THE ONLY ONE

There Are Other Klamath Falls People Similarly Situated

Can there be any stronger proof offered than the evidence of Klamath Falls residents? After you have read the following, quietly answer the question.

Henry Smith, carpenter, 106 Main St., Klamath Falls, says: "I have used Doan's Kidney Pills off and on for a long time and have always found them to be a reliable kidney remedy. My back ached and pained and I had a soreness just over my kidneys and they didn't act right. Doan's Kidney Pills always relieved the trouble, the backaches left and my kidneys were regulated."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Smith had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad

Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Adv.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.—Adv.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turn Grey, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wreck's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application of two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.
