Traffic Hints for Pedestrians Before crossing a street, look both ways to be sure no short-skirted girl is in sight. Then you can watch for automobiles.

Ladies have the right of way. You don't have to give it to them. They HAVE it.

To cross a street, select a position close by a timid-looking flapper with grey stockings and big brown eyes. My traffic cop will see that she crosses safely.

Should you slip, always fall forward. Remember, better the face than the flask.

Gentlemen should not congregate on a windy corner. Anyway the view is better from across the street.

On wet days, wear non-skid shoes. For if you skid through a jewelry store window, the judge will probably decide to have you equipped with chains.

On rainy days, to protect you eyes from other people's umbrellas, carry one yourself.

There You Are

One—The fright that you had troubled the action of the heart, which in turn impelled the circulation of the blood, hence your sickness.

Victim—What will be the result? "Ten dollars, please."

He calls her darling before they are married, but after he has been paying her bills for a while he calls her dear.

In New York

"My house is being robbed." "Fah."

"Where's the chief of this precinct?" "He's out making speeches on good government."

Atta Boy

Lawrenceburg, Ill., News, Christian Komper, beer maker and Bible agent, formerly of this city, has located in Indianapolis.

Short skirt, may be healthy, but many a girl wearing 'em seems to be on her last legs.

According to an article in Harper's Bazaar, arranging the collar to match her gown is the popular custom. This probably accounts for bubbled hair, opines Clara Calkins.

Food For Thought

My husband's gifts to me have lately been appalling. I sent a mystery—My husband's gifts to me—Some jade—who can it be? The thought of her is galling! My husband's gifts to me have lately been appalling.

Louie Hoagland says one advantage of making love to your girl in an airplane is that she can't get out and walk home.

"Come now," said the judge, "you really don't believe he meant to put your eye out?" "No, I don't," said Pat, "but I do believe he tried to put it further in."

George Ulrich says privacy is the one cheapest thing today. Put one nickel in the telephone booth slot and you're cut off from the world.

The flivver was predicted in the Bible, in Daniel 12:4, "And many shall run to and fro."

Ann Address

"Here in this fertile and beautiful (burst of applause) valley, where Nature is kind (loud hurrah's), and the fishing is excellent (loud calls for members of the legislature), we dated nothing—not even our own hell. Get the Yakima potatoes out of your mouths, while we sing the new official song: 'We Buy Vinegar From Pittsburg. Our Apples Have Gone to the Hogs.'"—Medford Mail Tribune.

Evidently Germany expects to find solace in the philosophy of can't.—Norfolk Virginian-Pilot.

Beach Boudoir

Many new things are being introduced at the Florida resorts to attract visitors this season. Full-length mirrors have been erected at Miami Beach. In beach or street costume the girls are thus enabled to see that their appearance is perfect.

Success is getting what you want; happiness is wanting what you get.—New York American.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter the acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Adv.

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment. declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it itching begins. Only those who have had unsightly skin troubles can now the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.
