THE TIME'S HERE

NLESS unforeseen obstacles arise the gor of opportunity will swing wide for Klamath this season. Lumber operators are looking forward to a year of great activity, with probably the greatest payroll the county has ever known. and certainly with the largest number of ware earne's engaged in keeping the money coined in mills and factories in circulation.

Lumbering activity will give the farmers respite, and when the agrucultural industry is adjusted to a new basis of product on, as it will be by 1923, this particular part of the West will be leading all others in the race for development of its

The clanging hammers of industry will sound a far-flung call to attract new settlers and new industries to Klamath.

The Kamath country, because of its vast undeveloped wealth, is attracting widespread attention. Without any extraordinary attempt to gain publicity, the Chamber of Commerce is in receipt of letters from all parts of the United States til we are widely advertised.

It needs but little constructive influx of immigration.

raised, and already the portal is other Henley team here. can do to utterly close it. It will the contest. open in spite of all our efforts, but it will open more quickly if we do not oppose our naltry strength from within against the mighty forces that are working without.

AMERICAN "PEP" IS BLAMED FOR BERLIN STREET ACCIDENTS Saville is from Sucramento.

BERLIN, Feb. 14 .- The fact that street accidents in Berlin have increased 600 percent since 1913 has ed to the suggestion that one of the causes may be the apparent effort to asserts Berliners have become too busy to greet frieads in passing, that the spirit of hustle is distributing the general routine, and that the citizens on the whole are growing nervous. He deprecates "the attempt to make Berlin street life look like Forty-Second Street and Broadway."

Official reports say most of the accidents are due to spending automobiles and careless pedestrians, "who step off the side alks and walk the streets in every direction without once looking to see if they are in the way of vehicular traffic."

There is no ordinance regulating pedestrian traffic. Even at the more crowded intersection the people cross the streets at will, taking their chances with the auto sobiles, street cars, omnibuses, trucks, and horse cabs.

There are no traffic policemen in the Touton metropolis, but it has after local affairs. been decided to establish such a force. In teh meantime the "security police" are doing this duty.

The bleycle habit is very popular with all classes, and particularly with the police, who ride in squad formation. It is not uncommon to see a man rig. ed out in top hat and evening clothes riding his "bike" to the

WHY DO ALL THE AUTHORITIES FIGHT THE DRUG HABIT?

Cheap Glasses, poorly-fitted Glasses, Glasses that you can only just get by with are like slow poison to the eyes and nervous system. They undermine your general health through the nervous system, thus imparing your general efficiency.

The authorities are fighting the drug habit, in all the big cities for the same reason.

See Dr. Goble about your eyes and glasses.
