Thursday evening Mrs. Harry Peltz entertained the Tea Cup Club of the Methodist church at her home on Walnut street. The house was cleverly decorated in hearts and cupid, the entire effect being that of a true Valentine party.

Old fashioned games and music were enjoyed by the guests during the evening. The feature of the evening was a unique game introduced by the hostess, each guest being given materials and instructed to make a valentine and compose a verse to put on it. The prize for the cleverest valentine was given to Mrs. G. R. Barnhart. A delightful musical program was rendered by several of those present. Miss Esther Calkins sang several charming selections among which were "Morning" by Olney Speaks, and "Smilin' Through." A male quartet composed of T. E. Worsley, R. E. Patterson and John Lindey sang several old songs, and Mrs. F. H. Coter played a piano solo.

At the close of the evening dainty refreshments were served to about sixty guests.

A beautifully appointed Valentine tea given by Mrs. Charles Collier on Tuesday afternoon was the occasion for the announcement of the engagement of Mrs. Golden Lincoln to Dr. Harold M. Brown of Sheridan, Wyoming.

The bride-elect is a popular teacher in the city schools and has been active in the social affairs of the city during her several years of residence here. Dr. Brown served as a first lieutenant in the medical department of the American expeditionary forces in France during the late war. He is identified with the civic affairs of Sheridan and with society and clubdom. The marriage will be an event of the spring and will take place in Portland.

During the early afternoon, the Leisure Hour club, of which Mrs. Lincoln is a member, was entertained at bridge. At four thirty, additional guests assembled. Upon each tea table was placed a red heart bearing a miniature cupid attired as a postman with a bundle of tiny red envelopes sealed with a gold heart and post-marked Sheridan, Wyo., June, 1922. On opening the envelope each guest found the betrothal card which news came as a complete surprise to most of those present.

The idea of hearts of cupid with the color scheme of red, gold and

white was artistically carried out in the refreshments and decorations. The rooms were beautiful with a profusion of red hearts and dainty flying cupid which were suspended from ribbons leading from the center of the room to each corner.

The friends who shared in the pleasure of Mrs. Collier's tea were Messames Charles Martin, L. G. Van Bellen, R. E. Dewese, B. L. Hardenbrook, Glenn Jester, J. S. Elliott, A. M. Collier, Leslie Rogers, Frank Ward, T. C. Campbell, John Siemens, Jr., J. E. Enders, H. D. L. Stewart, G. K. Van Ripper, E. D. Lamb, Lester Terwilliger, J. J. Parker, P. S. Studebaker

A SIX for the Price of a Four!

You can buy a Studebaker LIGHT-SIX today at a four-cylinder price! But you cannot buy Studebaker LIGHT-SIX performance in ANY Four.

You get more for your money in the Studebaker LIGHT-SIX than in any other car in the thousand-dollar class. Because:

- (1) Studebaker had the biggest volume in its history in 1921.
- (2) Studebaker sales in 1921 were 29 per cent greater than in 1920 while the total of all other makes was 45 per cent less than in 1920.
- (3) Studebaker is the world's largest builder of six-cylinder cars—builds nothing but sixes.

Studebaker builds the LIGHT-SIX for less than it costs most manufacturers to turn out a four, because it is produced complete in the Studebaker plants.

The average list-price of the better-known fours is \$1200. This does not include the high-priced fours. The Studebaker LIGHT-SIX Touring Car lists at only \$1045.

Studebaker builds economically and sells at a low price because of continuous large volume, efficient production and skillful purchase of materials.

The new low price of the LIGHT-SIX was established without lowering the quality one iota. Its intrinsic value is unsurpassed in the industry, regardless of price. Today's price of the Studebaker LIGHT-SIX is the lowest at which it has ever been sold.
