Pat Montgomery Heads K. C. H. S. Football Team

A meeting of the football letter men of the high school was held today at which Pat Montgomery was elected captain to lead the football team next fall.

Of the football men in school this year, five, Rollin Watt, Harold Wortley, Robert Goetz, Martin Adams and Chester Shriver will be lost by graduation, and Ted Montgomery will not register next September. The remaining eight letter men have all decided to be back next fall.

AIR POLO ENGAGES ATTENTION OF FLYERS

MIAMI, Fla., March 1.—Aerial "polo" is a new sport engaging the attention of the glider or more aviators flying land and seaplanes here and the airman to be successful in the game are forced to resort to trick flying that includes every stunt from the Immelmann turn to the maple leaf drop.

A motorboat bearing several dozens of toy balloons filled with gas is sent out on Bay Biscayne and when the planes engaged in the contest take the air and are equidistant from the launch the balloons are released all at one time. The airman who captures the greatest number is declared the winner.

"I Ain't Mad at Nobody"

Filled With the Faith

of the stand this store took on its opening day nearly 12 years ago to sell only the best merchandise on a fair, legitimate basis to all, to never ask a dime for an article when that article could be sold for 8 cents, to do its level best by the poor as well as the rich, to stand absolutely alone, to ask no favors or business except what a better store, a better stock and lower prices demands, we announce the **Spring Opening Campaign** for a greater volume based entirely on new, low price levels, aided by even a better quality standard due to greater efficiency in manufacturing. **There comes a time** in every well regulated business when conditions combine to make possible greater values for the price asked than average stores can possibly offer. With the writing down of inventories, a recession in raw material prices coupled with a Strictly Cash operating system (which needs no comments in its favor) we find this store in an enviable position to Merchandise its Wares in competition with the largest stores in the entire country. **Enthusiasm is the outside evidence of inside belief**, the direct evidence of Faith, therefore you will pardon our enthusiastic attitude toward greater achievements in bringing the World's best merchandise to your very doors on a competitive basis with the largest concerns in America. The columns of this paper will be used in a limited way during the next few months to inform our patrons and prospective customers of the new merchandise and new prices offered in all departments.

We invite comparison without obligation in any way on your part.
