MARCH VERSION

Slippery, slippery, slob, Lock out, or else, you'll flop. And then, you bet, You'll get all wet— Skippery, slipperly slob.

Bert C. Thomas says little girls like to play with dolls, and so do some of their fathers.

And you don't hear any of the wood dealers kicking about this weather, do you?

Getting up in a cold house isn't half as bad as getting up with no wood in the house.

There are two things Los Angeles refuses to admit—earthquakes and Fatty Arbuckle.

WHAT IS A FLAPPER?

A nifty little stride, Eyes that open wide, A cute "baby stare" Lotta bobbed hair— That's her!

"Really," gasped the automobilist, bending over his victim, "really I didn't mean to hit you." "Aw, go on."

returned the fallen one belligerently. "Witcher got that bumper on for if you don't aim to go runnin' into people!"

The modern wife does not mind having a canary around the house, but there is no welcome sign out for the stork.

The New Wife's Complaint She sipped the amber fluid And then her head did shake.

This home brew, honey, is not as good As father used to make."

It's not difficult to meet expenses these days. In fact, you meet them everywhere, gargles M. L. Johnson.

The first time Johnny saw a farm—you know he was raised in the city,—he saw a very small colt. "Where's his rockers," inquired Johnny.

"I have just been to the Nat and got but I feel fine."

Will Protect Forests From Pine Blister Rust

BOISE, Ida., March 4.—To protect Idaho's white pine forests, said to be the largest in the world, from blister rust, which is prevalent in western Washington and British Columbia, the state commissioner of agriculture has issued a quarantine order, forbidding shipment into Idaho of all white pine, stone pine, timber pine, or any other five-leaved pines, cypresses and gooseberry plants from the territory said to be so infected. Horticultural inspectors have been given authority to condemn all shipments.
