

The Office Cat

BY JUNIOR

ON THE BOWERY
A wonderful singer was Maudie McGee.
She never was known to get off the key.
She never was known to get off aw-gwan!
How could she get off when she never got on?

"Let me kiss those tears away, sweetheart," he begged tenderly.
She fell into his arms and he was very busy for a few minutes. But the tears flowed on.
"Can nothing stop them?" he asked breathlessly.
"No," she murmured. "It's hay fever, but go on with the treatment."

Their Life Jobs.

"Have those slouchy old men I saw hugging the stoves in the groceries and elsewhere any occupation?" asked a guest who had just returned from a stroll around town.
"Yep!—waiting for summer to come, so's they can loaf outdoors," replied the landlord of the Petunia tavern.

Pauline Frederick's mother says baby buggies are bad for children's brains. Some fellows we know must have had a tin lizzie for a perambulator.

An Invitation

She—Kisses are intoxicating."
He—Let's get sozzed."

Wm. Mark says what a congressman learns during his first term he doesn't always tell when seeking a second.

One of the aisle managers of a big state recently noticed a mournful-looking man wandering around the establishment.

To direct the visitor, he said: "Are you looking for something, sir?"

"Yes," replied the other, "I have lost my wife," and his gaze wandered searchingly over the crowd.

To his surprise the floorman said, with a sympathetic air, "mourning goods, two aisles to the left."

DAMIFINO

If a woman is fair, fat and forty, Does it imply that a man is first, Fast and fifty, or equally true? That he is safe, sane and sixty?

IVA HUNCH

People who are looking for bargains may be able to buy a battleship soon.

The Cleveland Indians have signed a pitcher named Tubbs. He ought to have good curves. But no head.

"What does young Bjinks mean by sending me one carnation a day, right along?"
"Why don't you know?" "He's saying it with flowers and he stutters."

Household Hint

Prohibition will remove wine stains from the tablecloth.

J. A. Percy asks what has become of the old-fashioned clerk who used to earn \$30 a month and who slept in the store?

Our idea of a conservative young man is one who doesn't want to marry a girl he will have to buy cigarettes for.

Spray for Brown Rot

Where blossoms blight, caused by brown rot fungus on cherries, prunes, plums, apricots and certain varieties of pears, has been had in past years, growers should plan to give thorough spraying with Bordeaux 44-50 just as the first petals are opening. Considerable reduction of loss by brown rot has been obtained by using this spray.

NEW KERRIGAN PICTURE

A SCENIC TRIUMPH, TOO

To a native of Ireland all things of the old sod are things of beauty. To the visitor and tourist, Ireland is a quaint mixture of beauty most enchanting with extreme ugliness. This will be shown by all who see J. Warren Kerrigan's latest Robert Brunton picture, "The Lord Loves the Irish," a W. W. Hoffkiss release, at the Grand theatre. Robert Brunton, famous scenic artist, who produced the Kerrigan picture, is especially familiar with English, Scotch and Irish rural atmosphere, and devoted especial pains to getting accurately both the splendor and the beauty of Ireland, the locale in which we first see the hero.

Much must also be said in praise of the equally quaint atmosphere of New York's East Side, where the latter half of the picture is staged; atmosphere flavored with the smell of garlic and onions.

Could Hardly Eat Enough to Keep Soul and Body Together and Strength Was All Gone, Says Avery—Friend's Advice Saved Day for Him

"It was an old friend who told me to take Tanlac and he was never a better friend than when he advised me to try it," said T. R. Avery, 567 East Twentieth St., South, Portland, Ore.

"My troubles started two years ago when an attack of flu left me almost helpless. My stomach gave me all kinds of trouble, my appetite was so poor I ate hardly enough to keep body and soul together.

"It certainly was a big and pleasant surprise to me the way Tanlac straightened up all my troubles. I feel just like a new man and have more life and energy than in years."
