

### The Office Cat

BY JUNIUS SKIDDICK

The Office Cat Awoke and blinked And tried to purr, Then stretched each leg a bit she licked her fur Then shook her head an' quitted.

The editor was cusin' In a mood of fiendish gloe The cat leaped wildly thru the door She realized ye Ed was sore, And said that ain't no place for me.

Minor Musings Husband and wife may argue as to who is "boss" of the house for a while, but not after the first child comes.

A Texas City widow says the reason she broke her last engagement was because her fiance was named Rice, and the doctor had warned her to cut out cereals.

"Jack says he just loves to play with my hair." "Then why don't you let him take it home sometime?"

Our Complicated Language She was from Boston, he from Oklahoma. "You have traveled a great deal in the west, have you not, Miss Bacon?" "Oh, yes, indeed—in California and Arizona and even in New Mexico."

"And did you ever see the Cherokee strip?" "There was a painful silence, but finally she looked over her glasses at him and said: "Sir, I deem your question exceedingly rude."

It may be the lack of calories or vitamins that ruins the health of children, but Doc. Wright says it is the lack of usefulness that ruins the health of matrimony.

"Mother, do people in mourning wear black night-gowns?" "Why, no, Willie." "Well, don't they feel just as badly at night as they do in the day time?"

Who Remembers The good little boy who would run errands for a penny?

The Birmingham (Ala) Age-Herald has found a real human interest want-ad. It says: "Come home, John, I've sold the poodle."

A Compl'te Rest "The doctor told me that I must take a rest." "What are you going to do?" "Oh, just quit golf and tend to my business."

Let Gee Gee, Th' Klamath Falls Vamp, Sez: Of course our ancestors were monkeys. Didn't a woman make a monkey out of the first man?

Perhaps after all a man isn't to blame if he thinks more of his stenographer than he does of his wife; he can dictate to his stenographer.
