Close Competition Expected in Auto Race

SAN FRANCISCO, March 23.—Close competition is expected on the Greater San Francisco speedway, at San Carlos, near here, Easter Sunday, April 16, when noted drivers meet in the 150-mile Golden Gate Motor derby.

The race was set at the 150-mile mark as it is thought competition will be keener than in a 250-mile race, fans claiming that the real battle in a longer race is waged during the first 150 miles. At Beverly Hills recently in a 250-mile race, Tommy Milton, who won, was in a neck-and-neck race at the 150-

mile mark with Ralph De Palma. De Palma and Milton will enter the April 16 race here. Jimmy Murphy, who won the opening race on the local speedway last fall, will also enter.

Amateur Championships to Be Decided March 30

PORTLAND, March 23.—The Pacific coast amateur boxing and wrestling championships will be held here March 30 and 31, under the auspices of the Multnomah Amateur Athletic club.

The Los Angeles Athletic club and the Olympic club of San Francisco have already signified their intentions of sending teams of ten boxers and wrestlers to the meet. Three Spokane clubs will be represented, and athletes will come from Tacoma, Seattle, Spokane, Van-

cover, B. C., Victoria, B. C., and Idaho cities.

The tournament will be under the new American Amateur Athletic Union rules.

For the past four years the annual coast titular meet has been held either at San Francisco or Los Angeles. The last time the meet was held in the northwest it was at Seattle.
