The Duke — My word, what a strange request.

Madge Dixon says when a boob runs for office there are so many other boobies to vote for him he's usually elected.

#### INADEQUATE

"Speech is silver," so they say. It may be till you try to pay. The last installment on your car. Then speech, you'll find, not quite at par.

The poultry editor of The Herald just got a communication about a feller down state that was usin' an owl to hatch chicks with How kum? Does he wants get some of these wise birds?

Joe the Plodder says the trouble with cheap things is that they cost too much. This applies to everything from harness to thoughts.

#### "THESE GREETINGS!"

Who writes the dainties anyway—The Yuletide cards they sell? They are so full of sentiment. I wonder why the hel! They can't fix up some decent ones That let's a fellow say Hope much he hopes a friend like you Will have a happy day.

Wiseacre—"The telephone number of the nearest repair shop."

We notice that a Cleveland woman is going to discuss the question, "How much should mothers tell their daughters?" Not much, we'd say, if they don't want to display their ignorance.

"That was a bad break for him. I should say."  
"Sure it was, that emergency of his never did work."

#### So To Speak

"I hadn't seen her for four years."  
"She's been to Reno."  
"Renovated, eh?"

Some of the girls are wearing shoes with small bells attached. The short skirt must be losing its power.

### BEADS MAKE MILADY'S FROCK HEAVY

Dressy Afternoon Frock Distinguished by Simplicity of Line and Beautiful Ornamentation

It's a good thing the head vogue came along as dress fabrics began to get more and more sheer, and skirts shorter. Otherwise many a fair woman's scant and diaphanous draperies might have fluttered away at the first stiff breeze encountered.

The dressy afternoon frock for this season is distinguished by simplicity of line but extreme elegance of fabric and ornamentation. Heavy beading, rich embroidery, or lace makes the afternoon frock for formal wear a thing of beauty and a joy for the whole season.

Chantilly laces are much used in black, brown, navy, gray and ecru. Other all-over laces and deep flounces are used, dyed to match the fabric of the gown. Often heavily beaded panels of chiffon art used over the lace flounces.

Jet beads are most used for street frocks, and are seen also on many

### IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally If You Eat Meat Regularly

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, or if the urine is cloudy, offensive, or full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.
