STUDEBAKER LIGHT-SIX Five-passenger, 40-horsepower, 712-inch wheelbase Card Three Standard Equipment

It is no longer necessary to buy an expensive automobile in order to obtain the essentials and comforts of the costly car.

Studebaker has settled that. You can now buy a LIGHT-SIX for only \$1045, f. o. b. factory, and get a car that rivals the higher priced ones in every advantage that goes to make up permanent satisfaction.

You want a serviceable car. The LIGHT-SIX has a 40-horsepower motor which is powerful, flexible and is practically free from vibration because of Studebaker's method of machining the crankshaft and connecting rods.

You want good looks. You get good looks in the LIGHT-SIX.

You want a comfortable car. The LIGHT-SIX has a roomy, comfortable body, mounted on long, substantial, semi-elliptic springs; and deep, restful cushions upholstered in genuine leather.

You want service. The LIGHT-SIX is built complete in Studebaker plants. It is not an experiment. Thousands of owners have found it dependable in every kind of service.

And you want refinements. Standard equipment on the LIGHT-SIX includes cowl ventilator operated from the instrument board; cowl parking lights at base of the windshield; inside and outside door handles; large, rectangular plate glass window in rear curtain; ignition lock and a thief-proof transmission lock, reducing the rate of insurance to LIGHT-SIX owners 15 to 20 per cent; and cord tires.

You can pay more and not get the satisfaction the LIGHT-SIX will give. But you can't get, for the same price, a value that is even comparable to the LIGHT-SIX.

Studebaker has been building quality vehicles and selling them at fair prices for 70 years.

Touring, \$1045; 3-Passenger Roadster, \$1045; Coupe-Roadster, \$1375; Sedan, \$1750. All prices f. o. b. factory.
