The man who invented suspenders did a good deal to uphold the dignity of this country, says Wm. McNealy.

We suppose they put hops in home-brew to give activity to the kick.

"I hear you are looking for a man to retail chickens and ducks."  
"Yes, sir. Want a job?"  
"Nope. Looking for information. How did they lose their tails?"

"The Yanks are coming," hummed the dentist as he prepared for an extraction.

The discs I play on my machine. In quiet times when I'm alone; I count them o'er, there are fourteen. My graphophone! My graphophone!

One disc sings vocal melody. One brings a sigh, one tempts to laugh.

Another sobs the Rosary. My phonograph! My phonograph!

O blithe song of Maxwellton's brass. O Miserere, favorite one I'll say we've all seen younger days. My Edison! My Edison!

Out in Indiana bandits are robbing the gasoline filling station proprietors. It is said to be far more lucrative than merely looting banks.

Let me make the hooch for a nation, and I care not who makes its laws.

"Look here, now Harold," said a father to his little son, who was naughty. "If you don't say your prayers you won't go to heaven." "I don't want to go to heaven," sobbed the boy. "I want to go with you and mother."

We offer, without extra charge, and no obligation on your part, the following gem of contemporary humor gleaned from the columns of the Stanford (Va.) Chapparral: Stranger—Healthy place this, I suppose?  
Native—Sure: When I first came here I was too weak to walk.  
Stranger—Really?  
Native—Yes, I was born here.

It wouldn't be such a bad idea to organize the coal mine industry along the lines of baseball. There, according to the rules, it takes nine strikes to get everybody out.

Humorist Gets Wise  
Nearly all the knowledge in the world has been acquired at the expense of somebody's burned fingers, says Justice Gaghagen.

The brain of man has conceived some modern miracles. But no brain has been able to figure out how to neutralize the acid of a woman's tongue.

### WENT BACK TO WORK INSTEAD OF TO COLORADO

Burbank Man Says Tanlac Actually Put Him Back On His Feet In Five Days Time.

"It is very seldom I get enthused over anything as much as I am over Tanlac," said W. D. Graves, 112 1/2 San Fernando Bldg., Burbank, Cal., a well-known transfer man.

"For five years I was in such a bad fix I could scarcely eat a thing and felt tired and sluggish all the time. I was so nervous the least excitement upset me for hours, and I never got a good night's sleep. Nothing I took seemed to help me, and finally I got so bad off I got ready to go to Colorado, hoping that might benefit me.

"But I saw a Tanlac statement which so impressed me I bought a bottle, and in five days felt so much better I actually went back to work instead of going to Colorado. Tanlac has now built me up twelve pounds in weight, and I am a well man. At one time, four members of our family were taking Tanlac, and it has been splendid for all of us."
