Uncle Zenas Hayseed who came up to Boston on a little visit was heard to remark:

"What with them dum ottomoes—beels a rakin' round, a feller crossin' the road nowadays hez to C sharp or he'll be flat, by Heck."

THE LABEL

And unprotected necks;
Yet ladies fair who brave the air
Are called the weaker sex!

Reply: Yes we should say it was a good bye.

Cared School

In that case, professor, I think you should let them recite as a duet."

"The artist who designed the head on the dollar used his wife as a model. That's why he pictures her with her mouth open."

Making Allowances

A son had arrived in the home of a Klamath Falls couple and the proud father rushed out to borrow a pair of scales, but none were available except some belonging to a rags, bones and bottles man. So he borrowed those and was aghast when he discovered the heir weighed only four pounds.
"But don't you worry," said the dinkman consolingly, squinting at the dial. "Them's my buying scales. Four boy weighs 'bout eight 'r a half—mebbe eight 'n' three-quarters pounds."

The 30-10 Plan Made Clear at Last!
They stepped me on the street today and questions did propound.
They nearly took my breath away, and did my wits confound.
"Oh, tell me, tell me, sir," they said "what, who or why and when a all this flood of heated talk about the 30-10?"
"H'm! H'm! The 30-10 you ask? Why, boys, can you not guess?
The 30-10's the latest thing in modern style of dress, in everything, at every time, the ladies strike to please—
they wear them 30 below the neck and 10 above the knees!"

ANTI-LITTER WEEK
(MAY 22 TO 27)

Next week has been set aside as "Clean Up" or "Anti-Litter" week

All good citizens are expected to help out in this campaign not only because the appearance of our city will be vastly improved, but for the greater reason that the clearing out of rubbish, garbage and other objectionable things will mean better health for you and your neighbors.

A Clean City

Clean up your own place. Sprinkle chloride of lime or some disinfectant in the foul and unsanitary places. This will prevent flies breeding there and carry disease germs to your food or the baby's milk bottle. If your neighbor does not do his duty report it to the Health Officer and he will see that he does. (Doctor H. D. L. Stewart is our health officer—his phone number 177-W).

Things You Need

We suggest that after the litter has been cleared away you use Lysol, Kreso or Chloride of Lime as disinfectants. Best disinfectant of all is Kreso as one pint of the concentrated solution will make five gallons of good disinfectant and costs you only 65 cents.

Swat the Fly

Go after the flies early in the season with swatters, insect powders and sticky paper. Every fly killed now means several thousand less by the end of summer.

We can supply you with any of the items above and many more that will aid you in making Klamath Falls a cleaner and healthier city.

Elect IKE PATTERSON

REPUBLICAN NOMINEE FOR GOVERNOR at the primaries Friday, May 19.

He is a man of rare personality and proved executive ability. Here, briefly, is his story: Isaac Lee Patterson was born in Benton County, Oregon, in 1859. Attended country schools and worked his way through Christian College, Monmouth. Became a successful merchant in Salem. In 1894 was elected State Senator from Marion County. In 1898 was appointed Collector of Customs at Portland, by President McKinley; re-appointed by President Roosevelt in 1902.

A Record of Achievement
While he was collector, the business of Mr. Patterson's office practically doubled yet he reduced the cost of running his office by \$6,380 a year. Since 1904 has been a successful farmer at Eola, Polk County. In 1919 and 1921 served as State Senator from Polk County. As chairman of Senate Finance Committee led the fight against wholesale salary increase bills and defeated most of them. In 1921 voted against increasing Governor's salary.

Vote for Patterson and Stop this Wastel
Since 1913 State taxes have increased 744.7 per cent! This gross extravagance must be stopped! Mr. Patterson has pledged that when elected he will make a substantial decrease in your state taxes by efficient and economical administration. A vote for Senator Patterson is a vote for clean, economical business-like government.
