

IN THE COURTS

Marx vs. Klamath Record
Stipulation and order allowing the defendant 10 days in which to file an answer were filed this morning in the circuit court in the case of Wm. Marx, local attorney, against the Klamath Record Publishing company, in which Marx is seeking to recover \$500 attorney fees for himself and \$400 for W. C. Van Emon.

Carroll vs. Boston Insurance Co.
Order of dismissal was signed this morning by Judge Leavitt in the case of George E. Carroll against the Boston Insurance company, pursuant to a settlement out of court on the insurance policy sued on.

Divorce Decree
Decree of divorce was granted this morning by Judge Leavitt to Rose E. Johnson. The testimony in the case was taken last Friday.

Chotard-Kos
Joseph M. Chotard and Antonette Kos, both of Malin, were married by Justice Gahagen this morning. John W. L. Smith and O. E. Hunt appeared at witnesses.

Labaree vs. Labaree
Complete files, including the testimony and exhibits, entered in the case were sent to the supreme court today by the circuit clerk, thus perfecting the appeal of the Labaree will case, being the case of Benjamin R. Labaree and Kladya Kelly, against Anita Labaree, et al., as executrix of the estate of the late O. G. Labaree, deceased.

FOR SALE—Block wood, Hellbrouner & Res. Phone 195-J or 239-R.

Personal Mention

D. B. Campbell, former Klamath business man, is here from Los Angeles on his annual vacation visit. His health has not been of the best during the past year and his doctor has advised rest and recuperation.

Mrs. Wilbur Jones and daughter, Mrs. Lloyd Mehaffey, Wilbur Jones, Jr., and Lawrence Mehaffey, Jr., returned Saturday from the Rogue River valley where they visited friends and relatives for several days. Mr. and Mrs. William Sanders and Mrs. Nate Otterbein motored to Ashland Saturday, returning Sunday night.

Mr. and Mrs. E. E. Magee left this morning for California on a vacation trip. Mr. Magee will attend the Shrine convention in San Francisco.

Edwin Driscoll, son of J. H. Driscoll, who has been attending Santa Clara university, has returned here to spend the summer.

Miss Mary Stewart has arrived here for a visit with her sisters, Mrs. R. C. Groesbeck and Mrs. Burr Westbrook. Miss Stewart has spent the past six years in Japan and the Hawaiian islands in the employ of a large importing company. She has a vast fund of first hand information as to present conditions in the orient. Her collection of art pieces and curios is very interesting.

Paul Dalton has returned from Palo Alto, California, and will be in the American National bank this summer.

Mrs. Dorothy Luce left here on Sunday for Sprague river to spend the week with Mrs. Jack Bedford and Mrs. L. O. Mills.

Clifford Willitt of Langell Valley is in the Warren Hunt hospital with an infected hand.

Miss Lila Mattern and her father left Friday for Los Angeles after an extended visit with her sister, Mrs. A. B. Epperson.

Mr. and Mrs. Steve Sabo and little son have returned from Merced, California, where they spent the winter, and have gone to Sprague river for the summer.

Mrs. Herbert Mallett and daughter, Helen, left here for Lakeview Sunday to spend the summer there. O. M. Hector is in San Francisco on business.

Still under the spell of the flowers and orchards of Southern California, as well as the amazing building boom, Mr. and Mrs. Oscar Peyton have returned from a month's trip to Los Angeles, Catalina Island, Pasadena and other points. In one Los Angeles district, Mrs. Peyton said, three miles of homes had been built since her visit there three years ago. Construction is exceeding all records, she said. While they were at Huntington beach an oil well came in, causing great excitement. The trip was made from San Francisco and return by steamer.

While driving to Medford Thursday with her son, Ed Royce, Mrs. Emma Royce of Midland was slightly cut by flying glass when their car collided with another coming toward Klamath Falls. It was reported here today.

Record fruit shipments in California are predicted by A. A. Saville, of Sacramento traveling agent for the Southern Pacific, here today in the interests of his company.

Jimmy Murphy Is Well on Lead Toward 1922 Driving Title

INDIANAPOLIS, Ind., June 5.—Jimmy Murphy, of Los Angeles, winner of the national 500 mile automobile race here last Tuesday, is well on his way to the driving championship of the United States, for 1922. He already has a total of 2050 points, several more than that which gave the title to Tommy Milton last year. Milton has not scored a point this year, it was said.

Harry Hartz, also of Los Angeles, is second in the contest for the championship, having 1200 points. Hartz was second in the race here. Frank Elliott, another pilot from the coast, is third with 375 points. He competed in the Indianapolis race but did not finish in the money.

First place in Tuesday's race gave Murphy 1000 points and Hart, who took second place, got 520. Eddie Hearne, who finished third, added 279 to his total, giving him 320 for the year to date.

The standing of the various drivers for the 1922 title, as given out at the Indianapolis Motor Speedway today, is as follows:

Jimmy Murphy 2050, Harry Hartz 1200, Frank Elliott 375, Eddie Hearne 320, Pietro Bordino 195, Ralph De Palma 155, Roscoe Sarles 140, Art Klein 137, Joe Thomas 112, Jerry Wonderlich 103, Ora Halbe 90, I. P. Fetterman 50, Ira Vail 40, Tom Ally 35, Peter de Paola 28, Eddie Miller 25.

PROSPERITY TALKS, No. 4

THINK HOW YOU CAN HELP KLAMATH FALLS GROW!

WE MUST HAVE MORE HOMES IF WE WANT KLAMATH FALLS TO GROW

Here's one time you can be a "public benefactor," while at the same time SAVING YOURSELF A LOT OF MONEY.

Just realize the big fact that the cost of everything that goes into BUILDING is about as low as it will ever be for years to come—in some cases lower!

The home you BUILD NOW will cost less NOW. It will get you out of the RENT-PAYING CLASS, and you can turn your rent-money into deposits for your bank account.

The home or apartment you leave is sorely needed by someone else less fortunate than you—he must continue to rent.

The building you put up will give jobs to dozens of men, directly and indirectly. It will put new life into the hardware, lumber, millwork and other lines of business.

It will put money into circulation, some of which is bound to COME BACK TO YOU.

Every new home in Klamath Falls adds to the population of Klamath Falls. It enhances the value of real estate around it. The jobs it creates increases the EARNING-POWER of our workers, and ALSO THEIR BUYING POWER, which means NEW PROSPERITY FOR ALL.
