

The Office Cat

BY JUNIUS

Our Own Webster

Souvenirs—The wife and children left by a man who leaps from a flying airplane to a flying automobile.

Peter: "You didn't have a very good time at your birthday party yesterday?"

Paul: "I did not!"

Peter: "You did!" Then why ain't you sick?"

Don't Be Too Sure

A great employer once found it necessary to issue this caution to his subordinates—Bear in mind, when giving instructions, that every one is a fool but you and don't be too sure of yourself."

A California girl who whistled on her way home from church was arrested, but she failed to be convicted and got a verdict of two thousand dollars against the city. Whistling may have sounded very irrelevant to the policeman who arrested her, but if the girl was whistling a hymn we can't see much difference between that and singing it or playing it on a musical instrument.

En Casserole

What could be more democratic than a marriage morganatic? Royalty must have its fling with some chicken a la king!

Don't flirt with success—Win her.

Mary is a Grand Old Name

Sign on soft drink parlor, Chiloquin: "Come in, Drink Our Cider and Be Mary."

Willie (to his father who had recently married the second time): "There's a shop on High street just like you, daddie."

Father: "Shop like me; What do you mean?"

Willie (getting near to the door): "Why, it's under new management."

Deceitful Thing!

John Shannon says one of the disappointments of this life is to receive a letter addressed in a charming feminine hand and to find that it contains a bill from the plumber.

The public loads the life of a pancake. Always flat.

That's How!

"You say this canned milk is from contented cows?"

"Surely; that's a part of its contents."

"Ma" said a Klamath Falls youngster, "there's a man in the kitchen hugging and kissing the hired girl." When his mother started for the kitchen he shouted: "April fool! It's only pa."

Too Often True

The trouble with so many of those \$20 patent leather shoes is that the patent expires too soon.

Smarty

There is a man in our town Much wiser than his sire; He ran into a bramble bush And punctured all four tires.

And when he saw his tires were wrecked.

With all his might and main He ran into a rubber plant And had them fixed again.

"Is there anything you would like to do before I press the button?" said the warden of Sing Sing to the murderer in the electric chair.

"Yes, your honor," said the latter, "I would like to get up and give a lady my seat."

Education

He married five before he learned Each female quirk and whim. Then he announced to all concerned:

No wedding bells for him!

OREGON BREVITIES

Banks—Washington County bank to construct new building. Sandy—\$23,670 contract awarded for union high school building. Stayton—Cannery building completed and machinery being installed.

HENRY SPENCER, well-known and respected citizen of Watertown, N. Y., who reports he has gained 15 pounds since he began taking Tanlac and always tells his friends how this medicine restored his health.

"My friends often say, 'Never saw you looking better; what are you doing for yourself?' and I always tell them: 'Well, I am taking Tanlac now,' recently declared Henry Spencer, 415 East St., Watertown, a well-known and highly respected citizen.

"For more than a year," he said, "I seemed to be run down all over. From 150 pounds I fell off to 135, lost my appetite and my stomach gave me no end of trouble. The little I ate caused me to bloat with gas and I was subject to dull, heavy headaches. I had no energy and it was all I could do to get around the house. I had dizzy spells when everything would blur before my eyes and I had to catch myself to keep from falling.

"Well, now, I have gained 15 pounds, feel better in every way and can work as well as ever, since taking Tanlac. I relish what I eat, with a fine appetite, and gas, indigestion, headache and dizziness are completely gone. Yes, sir, I just can't say too much for Tanlac."

Tanlac is sold by all good druggists.

SHRINERS ATTENTION
Meeting of the Crater Lake Shrine Club, which was scheduled to meet tomorrow evening the 7th, is indefinitely postponed owing to the Past Matrons' entertainment at the Masonic rooms tomorrow night, to which all Masons are invited, and should attend, since this entertainment is given for the purpose of furnishing a room at the Masonic Hall at Forest Grove, Oregon.

Shriners planning on attending the San Francisco Convention, June 12, 14, and 15, should immediately make hotel and pullman reservations. The fare from Klamath Falls and return is at excursion rate of fare and half. Any further information in reference to this may be obtained from J. F. Kimball, Potentate representative.

The right fuel for warm weather

Pearl Oil, burned in a good oil cookstove, saves the housewife a lot of unnecessary drudgery.

No coal or wood to carry — no ashes to shovel out. A clean, cool kitchen, with all the heat concentrated directly under the utensils, where it is needed.

No trouble to operate an oil cookstove, if you buy only Pearl Oil—the clean, economical kerosene that is refined and re-refined by a special process.

Sold by dealers everywhere. Order by name—Pearl Oil.

DOES SHE SMILE ENOUGH?

When she learns of the conveniences, she will be satisfied with nothing but electricity in her home.

Why do thousands use electricity—When electric cleaners cost \$50.00 and boomers 50c?

Electric irons cost \$6.00 and fuel heated cost 50c?

Automobiles \$400.00 to \$4,000.00, when a horse and buggy costs \$300.00?

It's the SERVICE she gets; the ease in accomplishing the everyday tasks of life.
