THE UP-GRADE

LOOKS like the "winter of our discontent" was past and Klamath county is starting up grade...

The days of unearned increment are past. War profits have disappeared. Excessive stocks and shrunken values have wiped them from the books...

Klamath Falls has progressed, we believe, as far along the path toward normalcy as has most of its neighbors...

We are in a position to take advantage of the swelling wave of prosperity that is setting toward us...

The election cost Charles Hall \$2,676.38, and apparently left him without a cent to send the victor congratulations...

Lloyd George says he is a tired man on a mountain-top; but he may just be up a tree...

All that Germany and Russia ask of the other powers is to leave them alone till they are in a position to lick the world...

Ten thousand people have been made destitute by a landslide in Italy, and in Washington a landslide has been known to do the same thing...

Before the next peace conference it would be advisable to hold a couple of rehearsals...

Mr. Wells is not a historian, says the historians. He can't be. His books sell...

It's Russia's nerve and Europe's nerves...

Spiffins is the most henpecked man in the world. His wife makes him put on evening clothes to stay at home and listen to a radio concert...

Another strange thing is our dry land extends three miles out into the ocean...

With Bryan telling the past and Doyle telling the future, the only thing doubtful is the present...

Sounds from within hint that this is a good time to stay away from China's open door...

An optimistic German royalist says the time is coming when everybody will take their hats off to the former kaiser...

Of course dreamers are essential. Except for them, whose wives would take in boarders...

TOM SIMS SAYS

Many a man wails his collar laughing at woman's styles. Due to the world's peace shortage, Mexico is having trouble again...

Paris sets some styles, but flappers get theirs from Scotland. When an optimist loses his pocketbook he always thinks a boy Scout will find it...

About the only thing scarier than hen's teeth are pretty girls who don't know it. Prospective brides are so plentiful we predict a bridegroom shortage...

Chicago claims it will have 3,000,000 people by 1925 if it can keep them alive. This is the month of June bugs and June brides. Both of them are buzzing around...

The mills of the gods grind slowly, and the demand exceeds the output. Fashion makers say skirts will be longer. Women say they won't. Skirts will be longer...

Loafers take up more room than busy men. Uneasy lies the head that lies. "Keeping a Husband at Home" is a new book...

June graduates are finding there is no shortage of presidents. Marriages may be made in heaven; but a comfortable porch swing often delivers the goods...

We are shipping Swiss cheese to Switzerland and may start sending Eskimo pie to the Eskimos. Big league pitcher has twins at his home. That's a hawl team...

Old-fashioned girls are hard to find because no girl wants to be out of fashion. Sometimes it's hard to feel at ease. Too many foreigners think this country is free—and easy...

Tonight we'll show you a rip-roarin' story of the jolly old west into which came a singin', shoutin', kid who let the whole world know that he was a "bad man"; that he could handle two guns better than one and one better than any other man's two. A pair of blue eyes took aim at his heart and the whole town laughed. Hoot Gibson, the Pendleton Round-Up Champion, is the singin' kid in "THE BEARCAT." You'll like this young chap—he's always ridin', fightin' or makin' love in the most whirlwind fashion you ever saw. For good measure, we'll have the Sixth chapter of STANLEY IN AFRICA, the PATHE REVIEW and one of the clever PAUL TERRY cartoons. A happy program that will make you feel good!

COULD YOU SPARE A THIM DIME TO HELP A GUY TO GET A CUP OF COFFEE? YES, I GUESS SO.

WOULD YOU PIKE THE SPRING OVERCOAT ON THAT BUM? THE VERY SAME PATTERN AS THE ONE I BOUGHT YESTERDAY!

OH HELEN! WHERE IS THAT SPRING OVERCOAT I HAD SENT OUT YESTERDAY? I'M GOING TO TAKE IT BACK! I SAW ONE JUST LIKE IT IN A PANHANDLER TODAY.

IT WAS PROBABLY YOUR COAT YOU SAW ON THAT TRAMP—A TRAMP CAME TO THE DOOR AND I GAVE HIM YOUR COAT—I THOUGHT IT LOOKED HORRID ON YOU.
