To A Suburbanite

When you are riding home today Please, see, along the right of way. The reawakened loveliness Of fields so lately colorless;

The bushes, last week bare and cold And now a mass of sunny gold; add silver willows are a quiver Reside the little dancing river.

And when you quit the car and come Along the pathway to our home. As you have done so many days, If you should smile upon my face, If you should show me that you care, I think, perhaps, you'd find me fair, Spring works a miracle with places, And love a miracle with faces:

J. E. Swanson says there is no remedy for a person who is hald inside of his head.

fore the bobbed heads of New York."

The demand for new automobiles is greater right new than it has ever been in the history of the country. taining provision in accordance with We do not know whether that shows the spirit and letter of this order, and a healthy condition or not

Flappers are referred to as such in a recently issued government report. Our governmental, reporters are nothing, if not snappy

HE DOES! HE DOES! Otto Daube Painter and Decorator

Sign on Fullerton St. Chicago.

An old darky was burning dead grass when a wise guy stopped and said. "You're feelish to do that. Uncle Eb; it will make the meadows as black as you are "

"Don't you worry bout that, sah, will grow out an' be as green as you

a house or face will do wonders for looks at least

Garden Hint

Put your head under the wheelbarrow and you won't get wet when it rains

There was a young lady named Polly Said, "hobble skirts are too jolly." But the one that she wore

Tripped the little maid o'er, And the man who was looking said. "golly".

"Please ma'am" began the hobo in appealing tones, as he stood at the kitchen door on wash day, "I've lost my log

"Well, I ain't got it," snapped the woman slamming the door.

Indeed!

"An infant son was welcomed last week to the home of Mr. and Mrs. George Rubber." - South Bend, Ind. News.

A bouncing baby boy?

Some men who cast their bread upon the waters expect it to come back in the form of a sardine sandwich, according to J. Hervi.

And now Henry Ford is to harness the Hudson river. Henry is such a versatile chap thant there isn't much use in anybody working. Why not let Henry do it all?
