**What Good Are Plants in the Home?**

Below are three good arguments why you should generously decorate your home with some of our beautiful plants.

- 1 Plants purify the air. They live on the carbon-dioxide which we exhale.
- 2 They also fill the whole house with a fresh, sweet fragrance.
- 3 They are beautiful, and will greatly increase the beauty of your home.

**DOES SHE SMILE ENOUGH?**  
When she learns of the conveniences, she will be satisfied with nothing but electricity in her home.  
Why do thousands use electricity—When electric cleaners cost \$50.00 and beams 50c? Electric Irons cost \$6.00 and fuel heated cost 50c? Automobiles \$400.00 to \$4,000.00, when a horse and buggy costs \$300.00?  
It's the SERVICE she gets; the ease in accomplishing the everyday tasks of life.

**Your Spine**  
INTERFERENCE of nerve energy is the primary cause of disease.  
THIS INTERFERENCE is caused by misaligned joints of the spine.  
A PERFECTLY adjusted spine releases nerve energy and brings health and happiness.  
A CHIROPRACTOR seeks to find the anatomical cause of disease. He is then dealing with a condition, a fact, a cause, not a symptom. His correction is an adjustment, a mechanical restoration of the disturbed joints of the spine to their correct position.  
EVERY ORGAN functions through nervous energy. When your spine is normal this energy is unimpaird.
