Your Spine

INTERFERENCE of nerve energy is the primary cause of disease.

THIS INTERFERENCE is caused by misaligned joints of the spine.

A PERFECTLY adjusted spine releases nerve energy and brings health and happiness.

A CHIROPRACTOR seeks to find the anatomical cause of disease. He is then dealing with a condition, a fact, a cause, not a symptom. His correction is an adjustment, a mechanical restoration of the disturbed joints of the spine to their correct position.

EVERY ORGAN functions through nervous energy. When your spine is normal this energy is unimpaired.

They Overlooked the Diamonds

THERE is a modern flippancy to the effect that, "What you don't know won't hurt you." It is also a fallacy. For instance: The farmers of Kimberly were a disgusted lot, disheartened lot. They said the soil was too rocky to earn them a living. Some of them left. Others died in poverty. And all the time their children were playing with diamonds. But the farmers didn't know. They thought the priceless gems were pebbles. Don't be like those Kimberly farmers. Know! Don't seek opportunity in some distant place and overlook the diamonds that are daily within your grasp. Know! Advertising is a mine of opportunity. It tells of values you wouldn't know about if it were not there to guide you. The secret of economical buying is information. The man or woman who is best informed is the one who buys to best advantage.
