ADVERTISING

GOVERNMENT figures prove beyond dispute that business revival is marked—but by business revival is meant manufacturing and production.

The day of misleading advertising has passed. The public has come to see advertising in the light of news, and it is news.

The boom in retail trade awaits only a little thought on the part of the merchant, plus the fundamental knowledge that advertising is an investment and not an expense.

HUDSON TELLS OF EFFORTS IN CRATER LAKE DASH

hook. By night I had made a very favorable impression. Sore and stiff, as well as dog tired, I reclined on my cot, after forcing myself to partake of a couple of eggs...

With the determination of making the first dash Saturday, the following morning I arose, but sick and weak and unable to eat...

Twice during the day to keep from going over the bank I passed a hundred foot rope around a tree and tying either end to opposite spokes on the rear wheel...

Sunday morning I arose with difficulty at 10 o'clock and after a great deal of exertion without breakfast I succeeded in reaching the car and again melting snow sufficient to fill the radiator.

My first job of a morning, as I always had to drain the radiator at night, I finally made the top of the chug and there, before me lay less than 40 feet of snow to bar my passage...

The many kindnesses extended me by the men in charge of the camp including Mrs. Brown, Brown, Sparrow and others will always remain in my memory.

In conclusion I will state that there has not been a penny's worth of work done on the road on this side and probably over \$2,000 spent on opening the road from Annie Creek and to date there has not been a machine in yet...

I thank you, FRAK W. HUDSON.

TRIED IT TWICE AND GOT SAME GOOD RESULTS

Portland Woman Tells of Remarkable Experience With Tanlac, Saying It Brought Her Complete Relief on Two Separate Occasions

"I have taken Tanlac on two occasions and I got complete relief each time," declared Mrs. E. C. Emerick, 1184 Boston Ave., Portland, Oregon.

"I suffered with stomach trouble four years, with sour stomach and sick, nervous headaches. Often I got so dizzy I could hardly stand up. I seldom ate as much all day as one of my children did at a meal. I always felt awfully tired out and my nerves were so upset I couldn't even stand the noise of the children playing."

"But I finally took Tanlac and it gave me back my appetite, corrected the sour stomach, stopped the nervous headaches and dizzy spells, and I also gained eleven pounds in weight."

"Well, I just felt fine after that until I had the 'flu' which left me run down and very weak and nervous. So I just got Tanlac again. Now I have regained all my lost weight and feel just fine. I simply can't praise Tanlac too highly."

Tanlac is sold by all good drug stores.

Catholic Citizenship

This is the First of a Series of Paid Advertisements. ARTICLE ONE. The jury, after listening to the testimony of the prosecution, and HAVING REFUSED to hear the defendant, returned a verdict of 'guilty'.

Some attack the citizenship of Catholic neighbors from fanatical bigotry; with these, appeals to fairness and reason are generally in vain. Others do so from mercenary motives, there is money in it. With such, efforts are still more useless; there is no conscience there to which one can appeal.

A PLEA FOR TOLERANCE AND UNITY. Catholics and Protestants together settled America, which Catholic Columbus had discovered, and which countless Catholic missionaries explored and baptized in their blood.

When America was convulsed with Civil War, Catholics and Protestants stood shoulder to shoulder. Together they marched, fought, endured, died, and now their dust lies mingled upon every battlefield.

Until now, Catholics and Non-Catholics in Oregon have lived in Christian harmony and friendship. But today enemies are creating hatred, prejudice, dissension. Do not allow them to succeed. Do not be one of the jury, which after listening to the testimony of the prosecution, and HAVING REFUSED to HEAR THE DEFENDANT, returned a verdict of 'guilty'.

Persons wishing to reply to or comment upon above, or procure further information on Catholic teaching and its relation to Catholic citizenship are cordially invited to address
