

Your Wife's Unfailing Income

The average woman knows even less than the average man about investments. As soon as it is learned that a widow has in her possession a small basket of gold coins comes investment advice to her from various points of the compass. Some of this advice may be disinterested—as when brother-in-law Frederick tells her of a certain uncertain stock that pays fat dividends, or of a piece of property that is a ten to one investment—you know the old, old story!

Reliance Absolute

This sort of thing happens every day. And it is exasperatingly pitiable because it need not happen. If you are already insured, your family's protection can be nailed down tight if you will make use of the Options of Settlement contained in your policies, assuming that the sum insured is large enough to yield the required income. If, however, it is too small, or if you are not yet insured, a LIFE INCOME policy should be taken. Then nothing can take from your wife and children—when you are not here to defend them—the protection whose supplying was directed by the love that lived in your heart of hearts.

Costs No More

This LIFE INCOME policy will cost you not a dollar more than its equivalent in lump sum insurance. Briefly it is a contract in which we agree to pay your wife—or some other beneficiary—a lifelong income, beginning when you go. We will pay it yearly, or semi-yearly, or quarterly, or monthly—you fix that. Your wife, or that other beneficiary, can get only one installment at a time, and neither she nor anybody else can get at the future installments—only one at a time, and only when due. "Nailed down tight!"

Indestructible

The institution which contracts to take a husband's financial place after he has gone should be so indisputably sound and secure that it could not be destroyed by anything less than the destruction of the nation itself. THE MUTUAL LIFE INSURANCE COMPANY of New York is the oldest legal reserve life insurance company in America. It is one of the greatest companies in the whole world. Its financial strength is time-tested and is impregnable. Its name is a household word in uncounted thousands of homes, and its protective service is employed by uncounted thousands of men and women, many of whom are among the richest in the land, who rely upon it to "carry on" for them during the long years after they have gone.

WHY THEY LEAVE THE FARM I left my dad, his farm, his plow. Because my calf became his cow. I left my dad—'twas wrong, of course. Because my colt became his horse. Left my dad to sow and reap. RHEUMATISM CANNOT EXIST in the human body if you will use Trunk's Prescription for Rheumatism and Gout. It is ridiculous, absurd and preposterous, in fact, it is a pity and a shame to talk about Rheumatism and Gout, much less suffer with it, either inflammatory, muscular, sciatic or any other form of Rheumatism. Trunk's Prescription for Rheumatism and Gout sells for \$1.75. This Prescription DOES NOT ruin the stomach, it DOES NOT depress the heart. Eat all the meat and good food, you wish while taking Trunk's Prescription. It DOES NOT contain any Mercury, Salicylate of Soda, Oil of Wintergreen or narcotics of any kind, but it absolutely and positively overcomes any kind of Rheumatism or Gout on earth.
