BY JUNIOR

Jack—"I wish I can run lots faster than you can. Look! The way I run when I caught you an' killed you."

Jill—"That time didn't count 'cause I knew what you wanted."

## Technical Term

"Where is the clutch in a car?"

"In the back seat."

Leslie Rogers says dodging automobiles is a health exercise—if you are quick enough.

## The Humanitarian

"I use this horrible shriek horn on my car for humane reasons," explained Gilmore Hoff. "If I can paralyze a pedestrian with fear, he will stand still, and I am less likely to run over him."

## Ministerial Repertory

Father Kelly and Rabbi Cohen were the best of friends. They were guests at a banquet one evening at which ham was served. Father Kelly smilingly whispered to Rabbi Cohen:

"Rabbi, when are you going to lay aside that old stuff and eat ham?"

The Rabbi smiled back and whispered:

"At your wedding, Father Kelly."

A St. Louis family has named the baby Hadlo. It is probably adept at broadcasting.

When your husband calls you the dearest creature on earth, be quite certain you grasp his meaning.

## And Sea-Sickness

Teacher (to class in chemistry): "What does sea water contain besides the sodium chloride that we have mentioned?"

Small boy—"Fish, sir."

If a sweet woman stays as long in the voting booth as she does in the telephone booth, mere man is going to have a long and weary time waiting to get his ballot in the box.

## Goodness!

Daughter—"How do you like my new party gown, father?"

Father—"Why, daughter, you surely aren't going out with half your back exposed?"

Daughter (looking in mirror): "Oh, father! How stupid of me. I have this dress on backwards."

In Nineteen Forty-Eight  
WASHINGTON, D. C. (C. C. C.)  
May 10.—Little interest was manifested here today in the taking over the U. S. Postoffice department by its recent purchaser, the aged Henry Ford. Mr. Ford is also planning to give transfers from any of his American railroads to any of his trans-Atlantic steamship lines.

The office cynic looks over the situation and remarks that if only the fit survive, those who fell by the wayside must have been a sorry lot.

Fred Heilbrunner says some fellows never go to a wedding of a friend or relative, because they prefer to remember him as he was in life.
