Long Distance From Klamath Falls

Recent improvement and re-arrangement of our long distance lines have made it possible for us to offer to our patrons at Klamath Falls an improved long distance service. Installation of repeater equipment on our San Francisco-Portland lines has very much improved the transmission over these lines, and it is now possible to talk from Klamath Falls to Portland or San Francisco, or even points further distant without undue effort and with very satisfactory results, and with a minimum of delay in handling of long distance calls placed with us.

We offer these improved facilities to our subscribers and patrons at Klamath Falls at our regular rates for long distance service as their needs require. A trial of this service to Portland or San Francisco will convince you of the good results which can be obtained in handling business by long distance.
