THE LIBERTY

When Viola Dana, the fascinating
Metro star, comes to the Liberty
Theatre today in her new picture
called "Seeing's Believing," she will
appear in a role that exactly suits
her pliant, charming personality. It
is just the type of part that Miss
Dana plays so well, and her many
friends will be delighted with her
acting in this new comedy-drama.

THE STRAND

The popularity of Zane Grey is not
an accident. Of all important writers
of fiction he alone has truly caught
the spirit of the West and has por-

trayed in unsurpassed colors the per-
iod of the pioneer. His masterly de-
lineations of the pioneer's virtues,
rugged honesty and fearlessness,
coupled with respect for women and
tenderness for children, are the de-
light of countless thousands, who
have become his faithful readers.

STAR THEATRE

George Ade is America's foremost
humorist; for many years he has
been writing for the leading maga-
zines and newspapers.
And now he has written a story
direct for the screen. And, what's
more, he collaborated on the scenar-
io, wrote most of the titles, and
worked with the director through-
out the making.

- MEN WANTED:
For service as
Railroad Machinists
Boilermakers
Blacksmiths
Electricians
Sheet Metal Workers
Pipe Fitters
Copper Smiths
Car Repairers
Tinner
Car Inspectors
Helpers—all classes.
Under strike conditions best ex-
plained by Chairman Ben W. Hooper
of the U. S. R. R. Labor Board, in his
statement of July First reading as
follows:
"In this case the conflict is not
between the employer and the opp-
ressed employees. The people of
this country, through an act of con-

gress signed by President Wilson es-
tablished a tribunal to decide con-
ditions which are submitted to it in a
proper manner over such dispute. It
is the decisions of this tribunal
against which the shop crafts are
striking. Regardless of any question
of the right of men to strike the men
who take strikers places are merely
accepting wages and working condi-
tions prescribed by a government
tribunal and are performing a public
service. They are not accepting the
wages and working conditions which
an employer is trying to impose. For
this reason public sentiment and full
government power will protect the
men who remain in their positions
and new men who may come on."

BIG POWER for BIG TRUCKS
If you want to keep your truck
trouble-proof, feed it "Red
Crown" and nothing else.
The quality of "Red Crown" is
always the same, whenever and
wherever you buy it. It vaporizes
rapidly and uniformly in the car-
buretor. And it is consumed com-
pletely in the combustion cham-
bers, converting all its heat units
into power at the driving wheels.
That means a better average
mileage, and a sweeter-running
engine.
Fill at the Red Crown sign
at Service Stations, garages, and
other dealers.

DOINGS OF THE DUFFS

HE WAS OUT OF LUCK

HE WAS OUT OF LUCK

BY ALLMAN

WELL, OLD TIMER, HOW ARE THEY BITIN' ?
NOT SPECIALLY GOOD, MR. DUFF.
CLEM, YOU DON'T SEEM TO BE YOURSELF TODAY. WHAT'S THE REASON?
WELL, YOU REMEMBER MY OLD SIDE-KICK, STEVE. THAT WENT OUT WEST?
SURE I DO! WHAT HAPPENED TO HIM?
IT SEEMS AS THOUGH HE TOOK A FEW NIPS ONE EVENIN' AND THOUGHT HE'D PLAY A JOKE ON SOMEBODY. HE STUCK HIS HEAD INTO THE BULL DOG SALOON AND HOLLERED, "FIRE!"
AND THEN—
THEY ALL FIRED!

MODERNO, Cal., July 25.—What

are considered record prices for Hol-
stein cattle were paid here this
month for a registered bull and a
registered cow.
The Bridgford-Holstein Dairies of
Battersea sold to the Pabst stock
farm of Oconomowoc, Wis., its prize
bro King Regis Alcarra Prilly for
\$85,000, while Frank Hatch, Ceres
farmer, sold his prize winning
cow, Ava Model Hengerveid, 2nd, for
\$5,000. Fred Hartsook, of San Fran-
cisco, owner of the famous Lankester
stockfarm of Lankershim, is
purchaser of the cow.
Ava Hengerveid 2nd, has a record
of 1129 pounds of butterfat and 27,
500 pounds of milk for 365 days.
She also has a record of 31 pounds
of butter-fat and 709 pounds of milk
for seven days. A daughter recently
won the world's championship as a
producer at the Chicago dairy show
and a granddaughter is in a fair way
to surpass the present world's record.
