Breaking Down of Alturas Truck Results in Distrbiution of Fry

OROVILLE, Cul., Aug. 9 .- Because a California Fish and Game commission truck carrying fish to Alturas to be distributed in streams of the streams adjacent to Oroville were enriched by 275,000 trout fry.

After several hours delay in attempting to repair the car it was found that the joung train could be kept alive in captivity but a few Serve Growers on Sept. 1 hours more and the Oroville chamber of commerce was asked to help dispose of them, Local business men promptly co-operated and the fish were distributed.

Forum Speaker Against Prope Unmerger from Central Pacific

dispute at the chamber of commerce luncheon today.

He said every chamber of commerce between Ashland and Albany was on record as favoring the Southern Pacific, and volced the belief that Klamath's interests were identical and should lead them to the same conclusion.
