POSTMASTERS TO GET BETTER PAY

Increase Granted in Second Class Offices as Result of Better Receipts

WASHINGTON, Aug. 16.—Salaries of many first class postmasters have been increased as a result of the computation of postal receipts for the year ended December 31, 1921, just completed by First Assistant Postmaster General Bartlett. Under the postal laws and regulations first class postmaster salaries are fixed upon the receipts of the individual offices going into effect at the beginning of the regular fiscal year in July. These salary increases, therefore, are effective from the first of July and continue during the fiscal year of 1922 until the next computation of receipts is made.

Fort Wayne, Ind., scored the record during the year, the salary of its postmaster being raised from \$5,000 to \$5,600 as a result of increases in post office receipts amounting to over \$119,000. Long Island, N. Y., came second with a jump of \$800 in the postmaster's salary from \$4,200 to \$5,000. Augusta, Maine showed such gains as receipts that the postmaster was rewarded an increase of salary from \$4,500 to \$5,000 beginning last month.

SALTS FINE FOR ACHING KIDNEYS

Eating too Much Meat May Clog Kidneys, then the Back Hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also helps neutralize the acids in the urine so it no longer irritates, thus helping to relieve bladder disorders.

Jad Salts is harmless; impulsive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.
