Dry Raids are Cause Of Liquor Shortage

SAN BENITO, Aug. 30.—Activities of customs officials and prohibition officers in making seizures of liquor in the border sections is reported to have resulted in a shortage in dry territories farther up the coast.

Dry officers recently returned to headquarters in Brownsville after a raid in the Ranchito district, south of San Benito, bringing a wagon heavily loaded with tequila, aquaardenta, mescal andot her liquors of Mexican manufacture. Appgoximately 1000 quarts of prickly pear liquor were transported recently by government officers from natural channels flowing from the river to the more distant sections up the state.

Enforcement officers in Corpus Christi report diminishing stocks and declare that rum runners are experiencing unusual difficulty in bringing in fresh supplies. An unconfirmed report has it that dry agents are operating two airplanes in the Corpus Christi district and are keeping bootleg operations to a minimum.

MOVIES

THE STAR

Tonight the Hildebrand company will show "Paid in Full" at the Star. This play will not be repeated.

Friday and Saturday "Do Foolish Wives Pay?" will be shown evenings and a Saturday matinee will be given.

The company closes its engagement in Klamath Falls this week, going from here to Lakeview and then to Bend. The company expects to return late in the fall.

The plays of this company have been enjoyed by the people of the city as a change from the continual moving picture shows and those who have not attended any of the performances should not miss going at least one of the remaining times that the company shows here.

THE STRAND

Another crowded house is assured The Strand tonight when it shows "The Truant Husband" by Albert Payson Terhune and in addition a good comedy and vaudeville movies.

The reduced price of ten cents to everybody has proven a great success and this theatre is the mecca of the city of Klamath Falls each evening.

Tomorrow night will be country store night with fifteen prizes given away. The picture tomorrow night will be "Hearts of the West" by William Fairbanks.

If you haven't seen a crowded theatre for some time just come down and look into the Strand tonight. If you wish a seat you had better come early.

THE LIBERTY

The latest production to be directed by Allan Dwan, entitled "The Hidden Woman," will be the featured attraction at the Liberty theatre today. Dwan is one of the handful of directors in the picture-producing art who enjoys the distinction of ranking with the brighest stars of the screen. For several years the line "An Allan Dwan Production" on a picture has stood for the highest type of pictorial entertainment.

"The Hidden Woman," his latest effort, is well worthy to rank with the many other features of high calibre that have borne his name as producing director.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Lustre At Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray, and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't stay grey! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.—Adv.

It is wonderful stomach medicine." Adler-i-ka acts on BOTH upper and lower bowel, removing weight. It is wonderful stomach and which you never thought was in your system. EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The impurities it brings out will surprise you.—Whitman Drug Co.—Adv. Z3
