BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Back-ache.

The American man and woman must guard constantly against kidney trouble, because we eat often too much red meat and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out. If they weaken from overwork, become sluggish, the uric acid builds up in the blood and the result is kidney trouble, bladder weakness and a general decline in health.

NEW APPLE BROUGHT HERE FROM FRANCE

YAKIMA, Sept. 6.—An apple, new to this country, has been brought to Yakima from Paris, France, by H. M. Gilbert on his recent return from Europe. It is known as the Colville. On his last visit to France, Gilbert was able to secure two trees in Paris.

He carried them with him on the remainder of his trip through Europe, the roots being wrapped in moist moss. On arriving here he had the trees set out on his ranch. The little trees are still sapling and have some green leaves, thus showing that they are alive.

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness, and distressing urinary ills? Klamath Falls people recommend Doan's Kidney Pills. Ask your neighbor! Could you ask for stronger proof of merit?

On March 16, 1920, Mrs. Wilson said: "I gladly repeat all I said in favor of Doan's Kidney Pills as there is nothing better for kidney complaint. I use Doan's occasionally to keep my kidneys in good order."

SIX MEN FAIL TO QUALIFY FOR DODGER

SPOKANE, Wash., Sept. 6.—Six men appeared recently at the municipal employment agency to qualify for the position of "African dodger" at 60 cents an hour. After determining the size of their heads and the amount of bone density shown, it was found that none of the applicants could qualify for the job.

The "African dodger" spends his working hours behind a canvas wall dodging balls thrown at his head. It is said that an expert can successfully dodge a skilled baseball pitcher, while an inexperienced man might sustain a fractured skull.
