TURN HAIR DARK WITH SAGE TEA

If Mixed with Sulphur It Darkens So Naturally Nobody Can Tell

Two old-time recipes of Sage Tea and Sulphur for darkening gray, streaked and faded hair to grandmother's simple and home-like way of using it to keep their hair a good, even color, which is quite possible, as we're living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called Wyeth's Sage and Sulphur Compound. It is very popular, because nobody can possibly tell it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and what delights the ladies with Wyeth's Sage and Sulphur Compound is that besides beautifully darkening the hair after a few applications, it also produces that lustre and appearance of abundance which is so attractive.—Adv.

MORE MEN THAN WOMEN HAVE APPENDICITIS

Medical reports show men are more subject to appendicitis although many sudden cases occur among women. It can be guarded against by preventing intestinal infection. The intestinal antiseptic, Adler-i-ka, acts on BOTH upper and lower bowel, removing all foul, decaying matter which might cause infection. It brings out matter you never thought was in your system and which may have been poisoning you for months. Adler-i-ka is EXCELLENT for gas on the stomach.—Whitman Drug Co.—Adv. 25.
