My Dear, You Should Have Seen the Best Man

The maid of her honor was Miss M. Reuter and bridesmaid, Miss Vivian Kropfel. The best man was Oliver, brother of the bride and groomsmen, Mr. Phillip Stein. They were all beautifully attired in crepe-de-chine. From a Louisiana Weekly.

NATURE'S OWN METHOD OF PROTECTION

ONLY one method that gives absolute protection in burial has ever been discovered. This is the "Living Bed" idea - based on a natural law that the air within an inverted vessel keeps out all water. A child proves this principle by placing an inverted glass in a pan of water.

This principle has been utilized in the Clark Grave Vault and made permanent by the use of twelve gauge Keystone copper-bearing steel which positively resists rust and corrosion and will not leak. (Stone, lead, and concrete vaults allow water to seep in, and act as a basin to hold it.) Over a period of twenty years the Clark Grave Vault has proved this principle by completely satisfactory results in all climates and soils.

Supplying the Clark Grave Vault is in accord with our policy of rendering the most valuable service.
