WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness, and distressing urinary ailments? Klamath Falls people recommend Doan's Kidney Pills. Ask your neighbor! Could you ask for stronger proof of merit?

Mrs. Jeff Wilson, 1402 Oregon Ave., Klamath Falls, says: "Doan's Kidney Pills are a family remedy in our home and whenever the occasion calls for a kidney remedy, Doan's never fails to do the work. I have taken Doan's for a long time for I have been more or less subject to backache and kidney trouble. At times I have such terrible pains through my kidneys that I can hardly go. My kidneys act irregularly and I feel miserable. I used Doan's Kidney Pills and am not bothered with backache or kidney trouble now. Doan's have been a great benefit to me." (Statement given March 13, 1916)

On March 15, 1922, Mrs. Wilson said: "I gladly repeat all I said in favor of Doan's Kidney Pills as there is nothing better for kidney complaint. I use Doan's occasionally to keep my kidneys in good order."

In the human body if you will use Trunk's Prescription. This Prescription DOES NOT irritate the stomach, it DOES NOT depress the heart. Eat all the meat and food you wish while taking Trunk's Prescription. SALTS FINE FOR ACHING KIDNEYS

Eating Too Much Meat May Clog Kidneys, then the Back Hurts

Most folks forget that the kidneys like the bowels, get sluggish and clogged and need a flushing occasionally, also we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also helps neutralize the acids in the urine so it no longer irritates, thus helping to relieve bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean. A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.—Adv. 101.
