

At your service, subject to the approval of the Election for Mayor, Nov. 7, 1922.

What Would You Do?

Would you promise a League or an individual something that you know you could not

Would you act and be your honest self and stand on your own beliefs?

Would you take defeat rather than promise allegiance to an organization?

Would you think that you had the right to run for office as a citizen, or had such right only at the dictates of organized force?

Would you withdraw from a contest be cause you were deemed morally unfit?

I know not what course others may take, but as for me, GIVE ME VICTORY by the choice of the people, OR GIVE ME DEFEAT!!!

DR. A. A. SOULÉ.
