Mrs. E. W. Whetstone and daughters Hazel and Goldie, went to Klamath Falls on Saturday with Mike Wallis.

Mr. and Mrs. George Boyd and family returned home Sunday after visiting friends and relatives in Boonanza.

Friends and relatives of Mr. and Mrs. A. R. Kincaid, who formerly lived in this section, but who are now living in Ashland, were pleased to hear of the birth of their fine baby girl weighing 8 pounds, born Oct. 1.

Dallas Givan returned home with Mr. and Mrs. Marvin Cross Sunday.

Earn Givan got his foot badly hurt at the rodeo Saturday.

Friends of Ed Melroom and Boyd Adams, who are taking Pasteur treatments at Klamath Falls will be glad to learn that both are doing well.

On June 10, 41 boys and girls of Klamath county clubs met at the Hotel Hall prepared to go to Corvallis. Frank Sexton, county club leader and J. H. Short had their cars ready, while A. Kalina of Malin had his truck ready, and we were soon on the way. R. D. Wilcox had started the day before with a truck load of baggage and most of the boys, and they were to wait for us at Roseburg.

Owing to a little car trouble on the Green Spring mountains we did not get to Roseburg as we had expected. Instead, we camped at Laurel camping grounds, which is between Grants Pass and Roseburg. Sexton had had car trouble so he stayed all night at Grants Pass and caught up with us in the morning. We traveled all day and arrived at Corvallis about six o'clock in the evening. We went immediately to Poling Hall for dinner and then the girls were shown to Shell Hall and the boys to Cavethorne, where our rooms were assigned us. There we met boys and girls from all the counties in the state.

The following day was registration day and after being registered we became acquainted with everybody and everything. We all liked the campus with its pretty drives, trees, lawns and buildings. We had our meals at the cafeteria at Poling Hall and when all of us were seated at tables representing our own counties, we challenged one another with yells.

On Tuesday morning the work began. From 9 to 12 we had classes. The girls had interesting work in cooking, sewing, decorating etc. Some taking live stock work had stock judging, gardening, etc. The teachers made their work interesting and tried to give us some knowledge which he could bring home with us, and I think most of us appreciated their efforts. From 1:30 to 3 o'clock we had a general assembly where we had songs and lectures. One of the lectures was given by Professor Kerr, president of the college, who gave us a very interesting talk. From 3 o'clock until 5:30 the boys played baseball and went swimming. The girls played tennis or had gymnasium and swimming. The swimming tank is 45 feet wide and 100 feet long, and nine and one half feet deep at the deepest end.

At six o'clock we had dinner and from 7:30 to 10 o'clock we had parties or picture shows. On Thursday night before we left we had a stunt show, each county giving a stunt lasting about ten minutes, which was very interesting. On Friday morning before we left we had the largest stock judging contest ever held by club members. Klamath county trying for second place with some other county.

Saturday morning of June 22, we said goodbye to Corvallis, resolving to return if we could. We camped at Laurel camps again Saturday night, and got home Sunday night, dirty but happy.

How Much Need I Spend for a Coat

A question readily determined once you see the coats put out on this special rack to sell at so moderate a price. Just because they are marked to sell at \$19.50 is no reason why they shouldn't surpass the greatest expectation, for they do. In this lot you get style, workmanship and materials combined. Manish wrappy and dressy effects, skeleton, half and full lined, belted all around and pleated backs.

Many people are going to find these coats just the thing to answer their purpose, and indeed are fortunate for it.

Priced to sell at

\$19.50
