- How about Breakfast?

## Plenty of Time

No need to worry because that Super-Automatic Hotpoint-Hughes electric coffee started breakfast a half hour ago, and now it is all ready to serve.

The old days when it was necessary to split the kindling and coax the fire to burn and then wait for it to get hot enough to do the cooking are past.

Arrange the things you want on the range, set the starter at the time you desire, and then go to bed with the assurance that you can sleep till breakfast is ready.

The saving in time, labor and cost are all in favor of the household of the present day.

We buy Hotpoint-Hughes ranges by the carload in order that you can get one at a reasonable price.

Klamath County received \$1,550.00 from the proceeds of the Rodeo admissions October 5th, 6th and 7th.

It is estimated that the annual commissions from the Rodeo to be held on the 4th of July will exceed \$3,000.00—sufficient to pay the overhead of the County Fair, which will not be held in connection with the Rodeo in the future, and will pay for the improvement and upkeep of the grounds.

With permanent fair grounds, adequate building and sufficient funds for premiums, the fair will become increasingly popular as the years go by.
