

HAS NEVER FELT BETTER IN ALL HIS LIFE

Thousands of frail, nervous people and convalescents everywhere have testified to the remarkable power of Tanlac in bringing back their health, strength, and working efficiency. It seems to quickly invigorate the constitution and is a powerful foe of weakness. Mr. A. Briggs, of 2605 1/2 East Lake, Seattle, Wash., says:

"I was in a general run-down condition from loss of appetite and indigestion, felt worn out all the time and was growing weaker every day. Tanlac rid me of the indigestion, put a keen edge on my appetite, built me up several pounds and now I'm simply brimful of life and energy."

There is not a single portion of the body that is not benefited by the helpful action of Tanlac. It enables the stomach to turn the food into healthy blood, bone and muscle, purifies the system and builds you back to normal weight. Get a bottle today at any good druggist. Adv.

LINKVILLE IN YE OLDE TIMES SAGE TEA TURNS GRAY HAIR DARK It's Grandmother's Recipe to Bring Back Color and Lustre to Hair That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold. Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair. Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv. 67.
