## SENSATION IS SPRUNG IN MRS. BLOWERS' TRIAL

Startling Disclosures Made  
by Matron in Charge  
of Defendant

### DISMISSAL MOTION DENIED

Motion of counsel for the  
defense for dismissal on  
grounds of insufficient evidence  
this afternoon was denied by  
the court.

The state rested in the Blowers  
trial at 11:30 this morning fol-  
lowing sensational testimony by Miss  
Lulu Tuttle, witness for the state,  
who has been matron and deputy  
sheriff in charge of Mrs. Blowers  
since the latter was removed from  
the city jail to the county infirmary.

Miss Tuttle testified.  
That Mrs. Blowers had told her  
that she (Mrs. Blowers) knew who  
killed Tom Montoya, but that she  
would never disclose that person's  
identity, and that the guilty person  
soon would be across the Mexican  
border.

Said Woman Killed Montoya  
That the person who killed Tom  
Montoya was a woman.

That Mrs. Blowers had said that  
she had the grand jury "fixed."

That she told Mrs. Blowers that  
there were two members of the  
grand jury who she did not believe  
were "fixed."

That Mrs. Blowers had referred  
to Mrs. Tuttle as deputy sheriff's  
as "that lousy star."

### Misunderstanding Admitted

Under examination by counsel for  
the defense, Miss Tuttle admitted  
to having had a misunderstanding  
with Mrs. Blowers. It had started,  
she said, from a "few words" that  
Mrs. Blowers had told her to keep  
still and had made the above refer-  
ence to her star. Attempting to  
bring out that the misunderstanding  
had arisen through Miss Tuttle's  
objection to Mrs. Blowers adding in  
the case of a Mexican girl at the  
infirmary, Miss Tuttle admitted that  
the incident had something to do  
with it.

It was also brought out that while  
Miss Tuttle had been told by Mrs.  
Blowers two or three weeks ago that  
the latter knew who killed Montoya,  
Miss Tuttle had not given that  
information to the authorities until  
recently.

Objection to the district attor-  
ney's attempt to recall witnesses  
previously on the stand was sus-  
tained by Judge Leavitt. Following  
examination of Miss Tuttle, the  
state closed its case and counsel for  
the defense requested a continuance  
until 1:30 in order to prepare a mo-  
tion. The request was granted.

### Witness Admonished

Miss Tuttle's willingness to talk  
and to enlarge on the answers re-  
quested by the attorneys, led to a  
request by the defense that she be  
admonished by the court. This,  
however, failed to check Miss Tut-  
tle's eagerness and on several oc-  
casions she caused a stir in the  
courtroom by her volubility.

## OREGON IS VICTOR OVER IDAHO ELEVEN BY NARROW MARGIN

Place Kick Brings Only Score in  
Game O. A. C. Loses to Stan-  
ford; California Beats U.S.C.

### FOOTBALL RESULTS

Oregon 21, Idaho 0.  
Princeton 21, Chicago 18.  
Stanford 6, O. A. C. 0.  
California 12, U. S. C. 0.  
Yale 7, Army 7.  
Michigan 24, Illinois 0.  
Harvard 12, Dartmouth 8.  
Iowa 56, Purdue 0.  
Pennsylvania 13, Navy 7.  
Minnesota 9, Ohio State 0.  
Washington 10, W. S. 13.

PORTLAND, Oct. 29.—Despite a  
thrilling aerial attack by the Uni-  
versity of Idaho eleven, which  
caught the Oregon defense off its  
guard in the last five minutes of the  
game here, Rhy Huntington's Ka-  
sons team won the exciting battle,  
21 to 0. The only score came in the  
first period when Chapman, quarter-  
back, booted a place kick from the five  
yard line. The threat to  
score made by Matthews' men in the  
last quarter ended when Chapman  
intercepted a pass on the lemon-  
yellow's 30-yard line.

### PRINCETON TIGERS TRIUMPH OVER CHICAGO ELEVEN

CHICAGO, Oct. 29.—The Prince-  
ton Tigers triumphed over Chicago  
here Saturday in probably the most  
thrilling football game ever seen on  
Stagg field. The score was 21 to 18,  
the margin being 3 points, scored  
after touchdowns.

Each team crossed the other's  
goal line three times, but the west-  
erners had no one who could boot  
the ball over the cross bar in the  
face of the charging Princeton team  
and this fact gave Princeton the  
winning edge.

Probably every known play that  
would bring thrills into hearts of  
the spectators was furnished in to-  
day's contest. Forward passes, dash-  
ing end runs, spiraling punts, fierce  
line smashes and recovered fumbles  
all entered into the spectacle. Added  
to this were two desperate stands  
inside the three yard line, one by  
Chicago, finally yielding the win-  
ning touchdown and the other in  
which the Tigers staved off defeat  
by inches with only seconds of play-  
ing time left.

### TOUCHDOWN IN FIRST QUARTER FOR STANFORD

CORVALLIS, Oct. 29.—Stan-  
ford added another victory to its  
string of laurels taken from the  
state of Oregon when its football  
team Saturday again defeated the  
Oregon Agricultural college huskies  
by a score of 6 to 0.

Stanford's score was made in  
the first period on a touchdown by  
Cuddelback, who went through center  
following a drive by Wilcox of  
three yards through center. Wilcox  
missed a goal from the 15-yard line.  
Stanford continued the offensive  
throughout the remainder of the  
first half, but in the third quarter  
the Aggies rallied and made spirited  
line plunges for gains, but Stan-  
ford's defense was too strong, and  
the remainder of the game was a  
series of clashes with intermittent  
punting.

### BEARS SHOW SUPERIORITY OVER U. S. C. ELEVEN

TOURNAMENT OF ROSES STA-  
DIUM, PARADENA, Oct. 29.—The  
University of California Golden  
Bears triumphed over the University  
of Southern California football team  
here Saturday, 12 to 0.

The Bears were superior to the  
Trojans in almost every department  
of the game. The California back-  
field, playing straight football al-  
most entirely, took advantage of  
every break.

The California line outcharged the  
U. S. C. line and held when the Tro-  
jan backs attempted line plunges.  
The Bears did not open up as they  
were expected.  
Morrison's heavy line plunges put  
California in a position to score time  
after time. He also crashed through  
the Trojans for the only touchdown  
of the day in the fourth quarter. In  
the same period, with four yards for  
California to go on the fourth down,  
Coach Andy Smith sent Nisbet in to  
replace Morrison. Nisbet dropped

rinal where he had audience with  
the king.

Serious rioting occurred here last  
night. Parties of Fascists were fired  
on in the working men's quarters,  
the hot bed of the radical element,  
and the Fascists replied. One person  
was killed, one Fascist wounded,  
and the Fascists, who were greatly  
outnumbered, had two of their men  
taken prisoners.

Groups of motor cars came to the

## Rev. Hall's Last Message

This message "God Loves Us" written on a church blackboard in  
Rev. Hall's own handwriting, was the last message the New Brunswick  
pastor left to his Sunday school class before he and Mrs. Eleanor Mills,  
a choir singer, were found murdered. The blackboard still hangs in the  
church. Singularly, he had added to his message the warning: "Do Not  
Erase."

## KILLED RECTOR WHEN LOVE WAS DENIED, BELIEF

Bishop Holds Mrs. Carleton  
Failed in Deliberate At-  
tempt to Win Christler

HAVRE, Mont., Oct. 29.—That  
Mrs. Margaret Carleton deliberately  
attempted to win the Rev. Leonard  
J. Christler from his wife, and that  
failing, she shot the minister and  
then herself, is the belief of Bishop  
Frederick Faber of diocese of Mon-  
tana, according to a statement by  
him today.

CHICAGO, Oct. 29.—Supporting  
the doubt expressed by Mrs. Joseph  
E. Pyle that her daughter, Mrs. Mar-  
garet Carleton, killed the Rev. Leonard  
Christler at Havre and then commit-  
ted suicide, C. E. Booth a Chautau-  
qua bureau official by whom Mrs.  
Carleton was employed today, made  
public a letter written by Mrs. Car-  
leton last Thursday, the day before  
the tragedy, and received here Sat-  
urday.

The letter spoke of her Lyceum  
work and her plans for her little  
daughter and contained "no allusion  
to call on Booth when she was in  
Chicago."

### HAY PRICE IS DO

Figures Shown Slightly  
Those of Last

WASHINGTON, Oct. 29.—The  
1922 hay crop is moving a  
slightly below last year's level, ac-  
cording to a national survey of the  
hay market situation just completed  
by the U. S. department of agricul-  
ture. On October 1, last year, the  
average price of No. 1 timothy at  
the principal markets was \$22.50  
per ton, while at the present time  
the average price at the same mar-  
kets is about \$21. Prairie hay is  
about 50 cents per ton lower on an  
average of about \$14 per ton for  
No. 1 Upland at the principal prin-  
cipal markets. Alfalfa however, is  
selling above last year's level. No. 1  
alfalfa selling on an average of  
\$21.50 at the principal alfalfa mar-  
kets.

According to the September 1 es-  
timate of the tame hay crop, the  
1922 crop was a little over 11,000-  
000 tons greater than the 1921  
crop. Of timothy hay, dealers es-  
timate about 25 to 30 percent more  
to be marketed this year than last,  
with about the same increase in the  
percentage of clover to be market-  
ed. Of the prairie and alfalfa hay,  
however, a smaller surplus is indi-  
cated. The movement of hay, the  
department report shows, appar-  
ently has been de layed somewhat  
by the scarcity of cars. The quality  
of all hays is reported good.

Marketing costs are reported  
slightly lower than last year, due  
principally to lower hauling costs,  
but marketing costs are still so  
high that in many instances the  
freight and selling charges are more  
than the f. o. b. shipping point price  
of the hay.

Reports from consuming territo-  
ries indicate a good supply of local  
forage. The smallest supply seems  
to be in North Carolina, where de-  
alers estimate local forage will not be  
sufficient for more than two or three  
months. Virginia, South Carolina  
and Georgia rank among states hav-  
ing a four to six months supply, and  
Alabama and Mississippi for the en-  
tire season. The New England con-  
suming section is reported to have a  
larger local supply than last year  
but hay is being shipped into that  
territory from Ohio, New York and  
Michigan.
