**REV. B. M. BRIDGES GIVES FACTS IN HIS CASE**

It is doubtful if there has ever been a medicine endorsed by so many ministers of the Gospel as has Taniae. Indeed, there is scarcely a faith, creed or denomination in all the land in which one, or more, of the clergymen has not publicly expressed their indelictness to the Premier Preparation for the benefits they have derived from its use.

One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely known and beloved Baptist preacher, residing at Mooraburn, N. C., whose statement follows:

Taniae has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to anyone who is in a run-down condition. For ten years past I have had such a severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very little sleep or rest.

It seems that I took nearly everything trying to get myself right, but nothing helped me until I ran across Taniae. My nerves are so much better now that my sleep is sound and refreshing. I enjoy my meals and have also gained weight. I can say from experience that Taniae is a splendid medicine and tonic, for it has built me up wonderfully.

Taniae is sold by all good druggists.—Adv.

**WHY SUFFER SO?**

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness, and distressing urinary ills? Klamath Falls people recommend Doan's Kidney Pills. Ask your neighbor! Could you ask for stronger proof of merit?

Mrs. Jeff Wilson, 1402 Oregon Ave., Klamath Falls, says: "Doan's Kidney Pills are a family remedy in our home and whenever the occasion calls for a kidney remedy Doan's never fail to do the work. I have taken Doan's for a long time for I have been more or less subject to backache and kidney trouble. At times I have such terrible pains through my kidneys that I can hardly go. My kidneys act irregularly and I feel miserable. I used Doan's Kidney Pills and am not bothered with backache or kidney trouble now. Doan's have been a great benefit to me." (Statement given March 13, 1916).

On March 16, 1920, Mrs. Wilson said: "I gladly repeat all I said in favor of Doan's Kidney Pills as there is nothing better for kidney complaint. I use Doan's occasionally to keep my kidneys in good order."

**LESS MEAT IF KIDNEYS BOTHER**

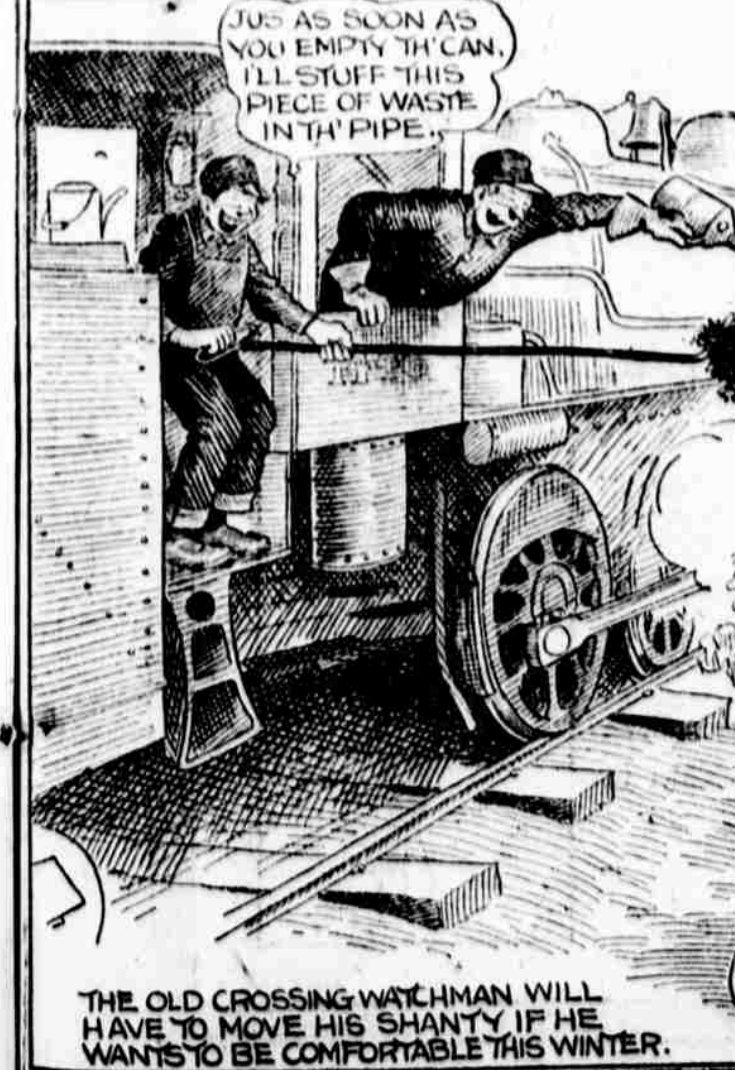

A man or woman who eats too much meat can make a mistake by overloading the kidneys occasionally, by eating meat, especially red meat, in excess. The kidneys, they become overworked and fail to filter the blood and poisons from the blood; we get sick. Rheumatism, backache, liver troubles, nervousness, dizziness, sleeplessness and urinal disorders often come from sluggish kidneys.

At such a moment you feel a dull ache in the kidneys, or your back hurts, or the urine is cloudy, offensive, of sediment, irregular of passage attended by a sensation of burning, stop eating meat and get a few ounces of Doan's Kidney Pills from a pharmacy, take a tablespoonful of water before breakfast, in a few days your kidneys may be purified. This famous salt is made of the acid of grapes and lemon is combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so if no longer cause irritation, thus often the bladder weakness and cannot urinate. It is a delicate effervescent water drink, which everybody should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney troubles.—Adv.
