

INDIGESTION GONE AND SHE GAINS 10 LBS.

"Tanhae has relieved me of troubles from which I suffered for years, and I am feeling fine now," declared Mrs. Kate Langlands, of 7225 2nd Ave., S., Seattle, Wash.

"I had rheumatism in my limbs so bad I could hardly get around. I suffered dreadfully from indigestion, too, and food fermenting in my stomach caused terrible bloating, headaches and dizzy spells. I was so nervous, and miserable at night that restful sleep was out of the question and I got so weak and run down it was all I could do to look after my housework.

"Tanhae has not completely rid me of indigestion that I can eat anything I want now and I have gained around ten pounds. I'm entirely free from headaches and dizziness, and the rheumatism is so nearly gone I never notice it. I don't believe Tanhae has an equal anywhere."

Tanhae is sold by all good druggists.—Adv.

HAVE DARK HAIR AND LOOK YOUNG

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy soft and beautiful.—Adv. 61.
