SEATTLE WOMAN GAINS 15 LBS. ON TANLAC

"Tanlac has been the finest thing in the world for both my husband and myself," declared Mrs. Anjusina Kelley, of 4539 Kenny St., Seattle, Wash.

"My husband suffered from stomach and liver trouble and had gotten so thin and weak he could hardly walk, but Tanlac put him in the best of health and built him up so much that he had to have his clothes let out.

"I had suffered for twenty years from stomach trouble and had become so weak I couldn't look after my housework. Back-ache, headaches and dizzy spells almost drove me distracted. Well, Tanlac did such wonderful work for my husband that I began taking it, and besides restoring my health it actually built me up fifteen pounds. I never have an ache or pain now and I have so much strength and energy that I easily do all my housework."

Tanlac is sold by all good druggists.—Adv.

SAGE TEA DANDY TO DARKEN HAIR It's Grandmother's Recipe to Bring Back Color and Lustre To Hair You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied. Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.—Adv. 63.
